# Scant interest shown in No. 3 by-election

Apathy reigned at the polls in last Wednesday's Catholic School District by-election.

Of approximately 6,500 eligible voters a mere 217 (3.3%) bothered to turn up at the polls. No voters at all showed up at poll 3 (Greenfield Estates and Grandview Ridge) and only two voters from Grandin Village registered their choices.

Mr. Don Lavoy won the by-election (201 - 160) over Barbara Chan, polling over one third of his votes in his home area - Grandin (poll one). He was sworn in at Thursday's resumption of Monday's regular board meeting.

The by-election cost the Catholic School District approximately $2,500 which works out to $11.52 per vote.

Don Lavoy

## *93rd birthday for pioneer*

On July 2, Mrs. Isabel MacMillan celebrated her 93rd birthday at a quiet dinner party, held in her honor at the home of her daughter Marie Thomson.

Born Isabel Fraser in Alexandria, Ontario, she came to St. Albert 65 years ago with husband Angus where they raised seven children - Jeff, Earl, Teresa, Billy, Collin, Marie and Simon. She is also the well-loved grandmother of 19 grandchildren and the great grandmother of 18 great grandchildren.

Following a short hospital stay, Mrs. MacMillan is now recuperating in Edmonton, but hopes to return shortly to St. Albert.

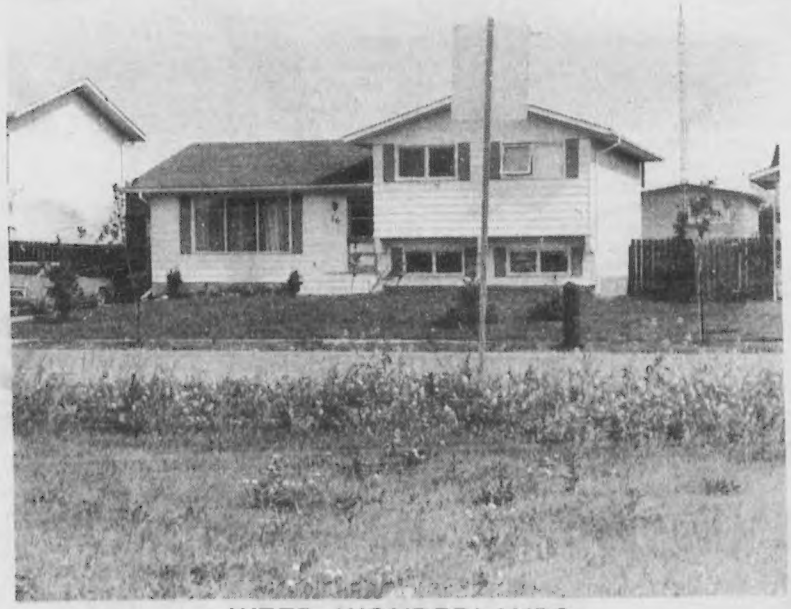
Greetings were sent from her family and friends wishing this delightful pioneer lady much happiness.

## *Homeowner fights back*

Thursday, Mrs. Hunt of Afton Crescent received her tax notice for over $1,000. Now this fact alone wouldn't have bothered her. She chose to live in St. Albert because she liked the community. She keeps up her yard beautifully, and for the last two years, has, along with her neighbour, been keeping up the small city-owned boulevard park across from her home.

She keeps the park up because not doing so would detract from the well-kept appearance of her home. She said that if her neighbour kept his yard in a condition similar to the small park she could telephone the City and they would clean up the yard and bill the owner.

And that's what Mrs. Hunt intends to do. She's going to bill the City for the time she has spent looking after their property. It's her way of recouping a portion of the tax bite.



WEED WONDERLAND?

*. . . The neatly groomed lawn of Mr. and Mrs. J.W. Hunt of Afton Crescent is seen here, as a happy contrast to the neglected city-owned boulevard across the street. Mrs. Hunt and a neighbor made a valiant attempt to maintain the city's property for two years, but are getting disenchanted at having to pay taxes toward their own labours. Mrs. Hunt plans on billing the city for her efforts.*

*Barrhead Kings, Norwest Midget Champs will be in St. Albert July 15 and 16 for the St. Albert First Annual Invitational tournament.*

LEGISLATURE LIBRARY JUL 05 1978

# St. Albert Midgets to host "first-ever" baseball tournament

St. Albert's first-ever invitational baseball tournament is definitely set for the weekend of July 15 - 16, according to tournament organizers.

A joint-venture of both the St. Albert Willowbrook Saints and the St. Albert Cardinals midget squads, this eight-team tournament will bring together some of the best baseball players in Northern and Central Alberta.

It is expected that the majority, if not all, of the action will be in full view at St. Albert's Mission Ball Park - hopefully under sunny Alberta skies.

Already accepted are entries from Stettler, Camrose, Spruce Grove, and Barrhead. The two midget host-clubs are automatic entrants.

A concession stand and public address system will be in operation during the length of the two-day affair with a nominal admission charge in effect.

Organizers Ben Tooth, Frank Galbraith, Art Balog and Art Rechlo expect this eight-team tournament to serve as a fore-runner to next summer's Alberta Summer Games to be hosted by St. Albert. One feature of these famous summer events is the popular midget baseball tournament which brings in teams from all over the sunny province of Alberta.

# Summer programs for mentally retarded

Children ages 8 to 15 are invited to attend a summer recreation program at the Winnifred Stewart School, July 17 to 28 and August 8 to 18 from 9:30 a.m. to 2:30 p.m. The cost is $15 per session.

There will be swimming (indoor pool), crafts, field trips, music and other exciting activities. Emphasis is on learning, leisure skills and good, plain fun.

The program is particularly exciting because of its high staff to participant ratio. This, and the quality of supervision by competent teachers make it possible to attempt integration of mentally handicapped children with their non-handicapped peers. The experience promises to be a good one for all participants.

For more information call Lynne Steele at 453-2391.

# *Catholic teachers get 7.7% increase*

At a special Board meeting held on June 29, 1978 the trustees of St. Albert School District No. 3 voted unanimously to accept the Conciliation Commissioner's Award, granting the teachers a 7.7% increase on the salary grid. While the Board felt that the settlement was reasonable in light of what is occurring in surrounding school jurisdictions, they did express some reservation at a Conciliation Commissioner's Award that was considerably higher than the percentage revenue increase being received from the Provincial Government.

The actual cost when the increment structure is taken into consideration is in the vicinity of 8.7%.

The settlement will give a first year teacher with four years of University training, a salary of $14,235. per year, increasing to a maximum of $24,025. after 11 years of teaching experience.

Teachers in the Protestant district do not yet have a contract. The two sides were not able to reach any agreement on a salary increase for the 1978-79 term and are now awaiting the formation of a conciliation board to settle their differences.

By accepting the Conciliation Commissioner's Award the Catholic School Board will know longer be able to claim a balanced budget and will now face a deficit not yet determined by press time.

# Take notice bicycle owners

To help curb the problem of bicycle theft and recovery that St. Albert is experiencing, the St. Albert Neighbourhood Watch Group will be holding a bicycle marking clinic on Saturday, July 8 from 10 a.m. to 4 p.m. at the rear parking lot of the RCMP station.

The bicycles will be marked with your driver's license or social insurance number, so please have your numbers handy when at the station. In the case of younger children, the parents number is used.

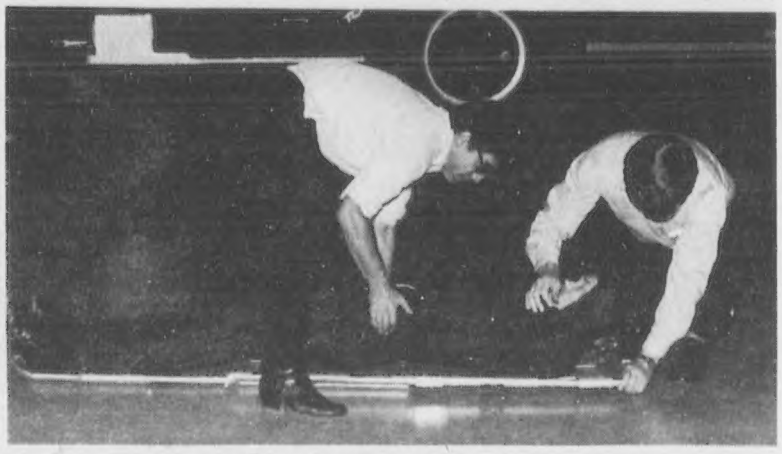
For further information, please contact Joanne Coulter at 459-7721.

# WEST BYPASS

**After a lengthy discussion Tuesday night, Council moved support of a motion by Mayor Ron Harvey that the City of St. Albert support a WEST BYPASS road to alleviate traffic problems on the Trail. Aldermen Shields, Smith and Breadner opposed the motion in a recorded vote.**

# An evening at the St. Albert Fire Hall

The alarm sounded at the St. Albert fire hall on June 21 about 11:30 p.m. Immediately the crew responded, running to pump truck #1, a 1959 GMC with only 12,000 miles on its odometer. The fire was next door to the fire hall in a garbage can behind the St. Albert liquor store. This fire was quickly extinguished. The next stop was the garbage can in Lions Park which was also handled efficiently. Back at the station the hose that was used was washed and hung up to dry. The truck was filled with water and made ready for the next run, whenever that would be. That night, the Gazette was on hand to see the workings of the St. Albert fire hall.



*Convertible Stretcher*

*During the Gazette's recent visit to the fire hall, Brian Thompson, left, Dirk Vanden Brink, right, and Gary Langvand demonstrate one of the many uses of one of the four stretchers carried on the ambulance.*

*Photo by Richard Mowry*

*Exposure Nozzle*

*Captain Lee Berg and firefighters demonstrated the use of the exposure nozzle used at hot fires.*

*Photo by Mowry*

When a medical alarm comes into the station, the paramedic and driver respond. When the paramedic leaves the station, another paramedic, who is on call, comes in to cover. Thus, there is always a paramedic at the station. In the case of a vehicle accident, the tank truck and the rescue truck both respond.

The tank truck is equipped with a five hundred gallon tank, an air tank, axes, hoses and other firefighting equipment. The rescue truck carries pullers, ropes, mechanical jaws and other necessary rescue equipment. The ambulance has a heart monitor, suction unit, and many other medical supplies. The inventory of St. Albert ambulance equipment is comparable with Calgary, Grande Prairie, Medicine Hat and High River.

### WALL OF WATER

One piece of equipment in use at the fire hall is the exposure nozzle. At hot fires it is used to cool the air so the firefighters can move in close to the centre of the fire. It sprays a wall of water through which the men stick the hoses. The closer range allows them to operate to much greater effect.

Brian Thompson demonstrated the use of air tanks while fighting a fire. The air tanks contain enough air to last 25 minutes plus a four minute safety margin.

Using himself as a "patient," Dirk Vanden Brink, the paramedic on duty, demonstrated the heart monitor and gave a rundown of the equipment and its use.

When not out at a fire, the men use their time practicing in order to maintain peak efficiency. This involves constant drills and equipment tests. (During the afternoon shift, the crew brushes up on firefighting theory).

Preplanning is also essential to fire prevention -- buildings can be designed with better firefighting equipment and more efficient alarms installed. Any changes in the roads, such as detours, are marked on the maps. This can save crucial minutes in an emergency situation.

Life at the fire hall has a relaxed yet, ever ready, atmosphere to it. The cooking is expertly handled by each shift. One man buys the food and the cost is shared amonst the crew. Each man takes a turn with the cooking chores while the others 'man the sinks' for dishwashing. On the night the Gazette dropped by, freshly caught trout was on the menu. This delicacy came courtesy of Brian Thompson, who caught the fish. The meal was beautifully prepared by George Czech. This reporter's compliments go to the chef for the best meal he's had since moving from home four years ago.

### A REMINDER

Dirk Vanden Brink asked the Gazette to inform our readers that even if an ambulance is going slowly with its lights flashing, there is a very good reason. A patient might be suffering in the ambulance with a broken back or some other serious injury. Give it plenty of room to perform its duty without causing any more misery to the injured.

The reporter appreciates the co-operation given him by the crew of the St. Albert fire hall: Captain Lee Berg, Dirk Vanden Brink, paradamic; Gary Langvand, firefighter; Brian Thompson, firefighter; George Czech, firefighter, Chief George Todd and the rest of the fire hall crew.

Remember -- the next time you see an ambulance or a fire truck driving down the road, move over and make room for them to pass without hindrance. NEXT TIME, IT COULD BE YOU RIDING IN BACK!

## What Caught Our Eye

A glance through Good Housekeeping magazine this month turned up this world shaking piece of data: The item read as follows: **Installing toilet paper.**

Which is the correct way to install a roll of toilet paper - so that the paper hangs off at the back next to the wall, or off the front?

The paper should roll off the front. If you need proof, note that patterned paper is printed so that the pattern is right side out when it comes off the front of the roll.

**Editor's Note:** We hope that this information will allow our readers to rest easy, safe in the knowledge that their toilet paper etiquette is flawless).

*Some of us at the Gazette would like to congratulate a couple of friends who will be making the big step July 15.*

*Don't use it all up the first night!*

## Thanks from Frog Lake

Most people would rather be given the opportunity to help themselves than accept handouts, and the people of the Frog Lake Mission are no exception. Thanks to the friendly response of the citizens of St. Albert and area, the Frog Lake residents have been given the opportunity to take initiative on their own behalf. Father Beaupre, and the people of the LeGoffe Reserve and the Elizabeth colony would like to thank all those who contributed to the work of the mission.

Special thanks go to residents of St. Albert, Gibbons and Villeneuve who responded to last week's story in the Gazette. Pauline Vaugeois reports that all the materials contributed were well received. Gratitude is also expressed to Albert, Odile and George Lesburg who assisted in gathering serviceable goods for the mission in the Grande Centre area. Mr. Lesburg provided his truck to transport the goods. Thanks also go to Mrs. Fraser of Gibbons and the many neighbours who gave their assistance to this project. The donations of money were much appreciated and will be acknowledged as soon as possible. Gratitude is expressed to the priests and ministers, those connected with the Girl Guides and those who provided canned goods.

The people at the Frog Lake Mission are involved in a unique kind of recycling project, in which serviceable items are renewed for other uses. Household goods, appliances, pots, pans, dishes, utensils, furniture, beds, mattresses, blankets, sheets, toys, clothes, drapes, fridges, rugs and rug remnants, quilting material and wool for knitting are all welcome items. These are recycled and often reconstructed, with the Frog Lake people using their ingenuity to add touches of their own to the finished product. An old coat might end up part of a handsome quilt, while other cloth items may take on a new life, refurbished by beads and other decorative trim. Quilts made from cloth donated are now on sale at the Elizabeth colony, to raise funds for the work of the Mission.

# New hope for oil from shale

Scientists at the Illinois Institute of Technology believe they have come up with a method of extracting oil from shale which is both economically sound and environmentally safe. If so the new method could provide the liquid oil needs of the U.S.A. for 200 years. The institute stated that the two trillion barrels of shale oil under Colorado and eastern Utah alone could guarantee the needs for that period.

The process developed by the scientists is based on a radio frequency heating method similar to that of microwave ovens. Long pipes inserted in the shale in a grid pattern emit radio waves that form an electro-magnetic cavity in the rock. The oil is cooked out and drawn up through the pipes. With this method all of the oil would be recovered, unlike drilling operations in which huge quantities of petroleum are wasted, according to the Institute.

The method has been laboratory tested and field tests are being planned by the institute.

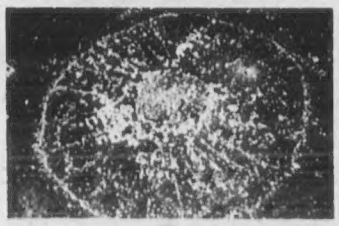
# Jerry was here.

## He signed his name. Now he could be imprisoned...

or fined up to $50,000 or both. All because he was not aware it is illegal to deface or destroy historical sites or buildings in Alberta, or to remove historical objects from such sites. But more important, he was not aware he was spoiling a valuable link with Alberta's past. The reason for the stiff penalty is simple. These artifacts can never be replaced. This pictograph and other archaeological findings are the legacy of the people who inhabited our province thousands of years before our own forefathers. Their history is the foundation of ours. Left undisturbed, these fragments provide clues for further archaeological investigation and analysis. Destroyed or removed, their valuable information is lost forever, along with part of our heritage. The Alberta Historical Resources Act supports the continuing search for historical specimens, their preservation and interpretation. A stiff penalty is necessary to make it work. It's a temptation to pick up an arrowhead or a piece of pottery discovered on a weekend jaunt. And people like to sign their names at out-of-the-way places. It's faster for a roadbuilder or contractor to bulldoze an ancient burial ground or ignore signs of an old campsite. And why shouldn't a farmer plough under those odd-shaped bones or dig out that pile of stones? They're on his land.

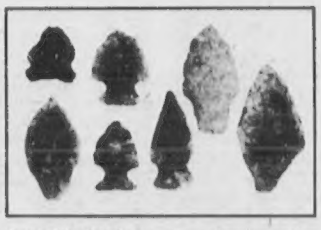
But, please, when you're tempted . . . do not disturb. Let them be. Allow them to be studied, evaluated and reported. It's your chance to play a part in preserving our history.

## do not disturb



**Medicine Wheels,** the first stones of which were laid when the Egyptian pyramids were under construction — 4,000 to 5,000 years ago.

**Ribstones,** with their fascinating patterns of pockmarks and grooves.



**Projectile Points,** used to bring home the family dinner a thousand years ago.

*If you come across a site you suspect may be historic, remember, you cannot excavate or remove without a permit, and it is illegal to deface or destroy the site. Become a partner in the search and preservation of Alberta's heritage, by reporting your findings to:*

HANDBUILT PLATES

*. . . The unique plates above look as if they might have been resurrected from a Mayan tomb, but they are really the work of local potter Carol Stanton. The plates will be part of the Commonwealth Games Craft Festival to be held in Edmonton from July 23 - August 12. Seven other St. Albert artists will be entered in the festival.*

# Royal visit is August 3 - 6

The Prime Minister has announced that Her Majesty the Queen and His Royal Highness the Duke of Edinburgh will visit Canada from July 26 to August 6. Their Royal Highnesses The Prince Andrew and The Prince Edward will accompany The Queen and Prince Philip and will participate in some of their official engagements.

The Royal Party will arrive in St. John's on July 26, visiting Newfoundland, Saskatchewan and Alberta prior to the Commonwealth Games. Her Majesty will open the XI Commonwealth Games in Edmonton on August 3, and the Royal Family will spend August 4 to 6 attending competitions at the Games.

On Saturday evening August 5, The Queen will address the nation at a dinner given by the Prime Minister in Edmonton. The following evening, August 6, Her Majesty and The Prince Edward will depart Edmonton to return to the United Kingdom.

The Duke of Edinburgh, accompanied by The Prince Andrew, will pay a private visit to British Columbia August 7 and 8 on the occasion of the Captain Cook Bicentennial. Returning to Edmonton August 9, The Duke of Edinburgh and The Prince Andrew will attend Games competitions until August 12 when the Duke of Edinburgh will officiate at the closing ceremony of the XI Commonwealth Games.

His Royal Highness The Duke of Edinburgh and The Prince Andrew will leave Edmonton on August 13 to return to the United Kingdom.

# St. Albert artisans in Games crafts festival

Visitors to Sir Winston Churchill Square in Edmonton from July 23 to August 12 might be surprised to see a new temporary steel structure south of the Library. The building is being specially erected to house the Commonwealth Games Crafts Festival, and St. Albert residents will be well represented within. Local resident Linda McPhee, assistant manager of the Crafts Festival has worked on the volunteer committee for the Festival since December, and reports that the massive chore of assembling crafts from across the province has been completed, with all systems go for the event. This will be the biggest crafts festival ever held in Alberta, with over $200,000 worth of craft items to be sold.

The standards for acceptance into the Festival were high, but seven St. Albert artisans will be among those exhibiting. The craft items were required to be of high quality and saleable price. They had to include a wide variety and represent a cross section of the various craft types. Everything from Ukrainian Easter eggs to soft sculpture will be represented.

In addition to her administrative chores, Linda McPhee will be exhibiting her soft sculptures. She will also give demonstrations of moccasin and muk luk construction. Linda's book on the subject will be available for purchase at the festival.

St. Albert potter Carol Stanton will be exhibiting her handbuilt plates at the festival. Carol has been working at her craft for about seven years and has taught adult classes in raku and handbuilding. She will demonstrate the complexities of her craft on August 1 at the festival from 6 - 10 p.m.

The unique tapestries of St. Albert resident Leah Cockerill will be displayed at the festival. Leah has been weaving for a couple of years and has an arts background. Her tapestries use contrasting methods and textures and materials to striking effect. She will also exhibit a number of woven handbags and weed holders. Mary Hall, a St. Albert weaver of three years experience, will exhibit pillows, bags and weed holders.

The ancient art of batik will be demonstrated at the festival by St. Albert resident Linda James. In batik, layers of colour are built up on fabric by use of dye resistant hot wax. Linda will exhibit childrens toys, wall hangings and adult clothing and will demonstrate the making of the toys from July 31 to August 4 from 2 - 6 p.m. Doris Verland will exhibit quilting and will demonstrate her work August 9.

St. Albert artist Peg McPherson has been working in watercolour for the last year, having switched from oils, her delicate but vibrant paintings will be exhibited. She will demonstrate her art on Thursday, August 2 from 6 - 10 p.m.

The selection committee for the Commonwealth Games Crafts Committee was manned by Evelyn Blakeney of the Journal, potter David Green, Canadiana expert Ann Anthonson. Four hundred and twenty crafts people applied for permission to enter and 180 were selected.

# Penner attacks negotiations

Opening with the comment that he was speaking entirely on his own and that his views did not necessarily reflect those of the other Protestant School Board members, Trustee Wes Penner took a verbal swing at the contract negotiations between the Board and the ATA.

He said he wasn't blaming specific people and that he was confident neither teachers nor board members wanted to protract negotiations. "Yet that what's happening, and I think the culprit is the bargaining process or system - the confrontation, adversarial model," he added.

He said he was "afraid we've (the Board) become trapped, encaptulated and bound by a system - we're no longer using it to facilitate effective and efficient negotiations; it is using us to prolong and protract negotiations."

"The system," he said, was being allowed to "force us into serving it."

Trustee Penner implored the other trustees to join with him and 'shed the process we're joked with and get on with the business of educating the young people who have been placed in our charges'.

"I may sound like an idealist," he said, "but, I'd rather be known as an idealist than an idiot which we have to be when we allow a 'process' or 'system' to: prevent 250 plus staff members from getting their salary increases in the midst of a galloping increase in the cost of living; deteriorate an excellent relationship between the present Board and school staff; and, ultimately and most importantly to have students suffering from the effects of being caught in the middle of two adversaries, caught up by a process.

As Trustee Penner spoke it was obvious that Trustee Shirley McCaffery was taking exception. When he had finished she scolded him for making a statement 'without all the information'. She did not think Trustee Penner should comment on negotiations not being a member of the negotiating committee. She concluded by saying Trustee Penner could not know whether it was the teachers, trustees or process that were to be blamed. (Trustee McCaffery is chairman of the negotiation committee).

## Juniors seeking help

I am writing on behalf of the St. Albert Juniors Fastball Team in regards to their participation in the Alberta Junior A provincial championships. The team will be representing the city during the weekend of July 22 and 23 in Brooks. Teams competing in the tournament will be Edmonton, Calgary, Wetaskiwin, Red Deer, Brooks and ourselves.

The team itself began in the spring of last year in hopes of fielding a competative junior fastball team out of the city. The players, ranging from 16 to 21 years of age, all live in St. Albert. The team plays in the 14 team Sturgeon Valley Fastball League, being the only junior team in the league.

Last year, the Juniors entered into and won the Alberta Junior B championship. The team was funded entirely by the players themselves in connection with provincial playoffs.

This year the players would like to help offset the cost of the trip by getting donations from the local businessmen. As we realize that businessmen are hard-pressed for sponsorship, the team will not ask for a certain amount. The Juniors will leave it open to the businessman, the amount of money if they wish to donate.

The players would appreciate it if you would be able to help us in our efforts. Although there is little advertising out of the donation, there will be a certain amount of paper recognition for those supporting us. If you have any further questions, please contact me at 459-7831. The Juniors appreciate any support that you may offer us. Thank you.

**Blaine Galbraith**

# To The Editor

## Politicians attempt to "dictate" news

I am alarmed at the attempts by various levels of governments to coerce the newspapers to their way of thinking.

It is historical fact that one of the first ways a leader, whether it be a person, a group such as a council, or a political party attempts 'control' of a population towards being a police state is by gaining control of the news media and communications. Check Hitler and Stalin's methods!

Our news media is fraught with errors and problems. If it steps out of line in the paths of liable or slander, there are laws and law courts to protect the citizens.

Within the past couple of years, I have noticed our local St. Albert council's attempt to subjugate our local newspaper. At the moment, factions of the Edmonton City Council are attempting to coerce Edmonton's evening newspaper, and our Federal government is harassing a Toronto newspaper. I do not always agree with policies and practices of these or any newspapers, but I feel very strongly that they **must** have a free hand and not be subject to pressures either legal or financial on the part of politicians.

If Canada slips to the level that politicans can dictate the 'news' that we 'peasants' are or are not to be fed, then it will be a very sad state of affairs.

**Allan R. Weeks**
**St. Albert**

# Think small
# by Jim Smith

## A Taxing Problem

Let's assume, in the beginning, that (lucky you) you are not a columnist and, therefore, have money to invest. And let's analyze a few of your options.

**You can invest the money in oil exploration and claim an immediate income tax deduction. Ottawa encourages oil exploration.**

You can invest the money in apartment construction and claim an immediate income tax deduction. Ottawa encourages apartment construction.

**Or you can invest the money in Canadian movie production and claim an immediate income tax deduction. Ottawa encourages production of Canadian movies.**

But, if you invest the money in formation of a new business, Ottawa won't allow you to claim an immediate income tax deduction. In other words, oil exploration, apartment construction and movie production (????) are all considered more important than development of a solid Canadian business base.

**Just to refresh our memories, independent businesses provide jobs, increase GNP, improve the balance of payments, create more new processes and products and keep the country less dependent on foreign control. But, under existing tax laws, investors are encouraged to put their money into oil, apartments and movies rather than independent business. So it's not surprising that Canada's small business community lacks investment capital.**

Before our taxes were "reformed" and a capital gains tax introduced, entrepreneurs could draw on many individual investors for the money that was needed to set up all kinds of local businesses. But capital gains taxes took away the incentive for investing in independent businesses and entrepreneurs found that their source of capital had dried up.

**The government tried to correct the problem by setting up the Federal Business Development Bank, a public agency which has the power to invest in private companies. But bureaucracy is never an adequate replacement for the free workings of private markets.**

In recent months, Ottawa has indicated that it realizes there are serious problems. The feds have decided that, if you lose your investment, you can now write off half of that loss against other income. It's better than before but it's still not enough. If 50% is good, why not 100%? If, for example, a local employee is trying to recoup his losses from a previous small business venture that failed, why not reduce his taxable income by the amount of his lost investment?

**Investors are clever people – which explains why they have the investment capital in the first place. Consequently, they put their money where the return is best. As long as Ottawa refuses to treat investment in small business as generously as investment in oil, apartments or movies, there will not be enough money to meet the needs of independent business in this country. And a Canada with a weak small business sector is a weak Canada.**

# Reaction to schools facility report

Public reaction to the recommendations of the Woods Gordon Report on School Facility Logistics in Alberta (May 1977) runs from negative to very positive. The School Facility Task Force documented public reaction through a series of Public Hearings which heard 72 briefs from trustees, educators, and the general public. The Task Force Report was released by Education Minister Julian Koziak.

Woods Gordon proposed a multiple-services community building concept for schools, controlled by a local community council rather than a school board. This council would have advisory assistance from local groups and a provincial government agency called the Community Facilities Planning Group responsible for policy co-ordination among the many involved government departments.

Public reaction to this proposal was conservative, supporting the current practice of sharing school facilities with other community groups, but strongly supporting additional operating cost funding and continued board control. Advisory groups were seen as acceptable, provided they remain advisory.

Woods Gordon proposed a new role for the Department of Education in planning procedures for new construction and renovations. They see the department providing more advance planning and consultative assistance to school boards rather than simple plan approval.

Reaction was very strong in favor of any mechanism which would resolve the double problem of empty classrooms in areas of declining enrolment and insufficient classrooms in growth areas. There was also strong support for the Core School Concept and the Building Quality Restoration Program, as well as for new classrooms for elementary children in new communities. However, more flexi-

## St. Albert Billboard

TUESDAY, JULY 11 - 8:30 p.m. LaLeche League monthly meeting at 56 Flagstone Cres. Topic: The Family and the Breast Fed Baby.

** ** ** **

SATURDAY, JULY 29 - Next to new Sale - Senior Citizens Centre north of the curling rink. The shop will be open from 1 - 4 p.m. and will again provide an opportunity to pick up clothing, footwear for all ages as well as household articles at rock bottom prices.

** ** ** **

MONDAY, JULY 24 - The second week-long session of the St. Albert Evangelical Lutheran Church's Vacation Bible School will begin for children in Grades 1-6. For registration information, call 458-6012 or 458-8018.

You
look like someone
who could use
a friend.

Moving to a new place can leave you feeling a little like the Swiss Family Robinson. Cast adrift in a sea of problems that need immediate solutions.

The unknown stretches to the horizon. You're uprooting your family. Will they like what lies in store?

Right then, as you're looking for that proverbial 'port in a storm', we come to the rescue.

Weber Bros. Realty have been providing 'safe passage home' for people since 1911. In the centres we serve, our full line of services make us the 'flag ship of the home fleet'.

On outbound cruises, our affiliation with Relocan, the national relocation and home finding service, can assure you 'smooth sailing' from here on in. We offer over 350 'Ports of Call' in Canada, over 800 in the U.S. Our sales crew will chart a course for you before you ever leave. They'll arrange for a log of the exact homes you'd like to live in, and even have you met when you put into port.

And to 'anchor' the financing, you'll find Weber and Associates Financial Services a real lifesaver, too.

We hear your call for help and offer you a hand when you need it most. Grab on! You're in 'friendly waters' with Weber.

# Loneliness affects all age groups

St. Albert's Community Services department has passed along some comments on loneliness, based on research by Dr. Sermal of York University which it was thought would be of interest to senior citizens and others.

**LONELINESS**

We are inclined to think that loneliness is a disease that affects mainly aged people. 'Not true', says Dr. Vello Sermal of York University. He has been researching the causes of loneliness for the past 12 years. He has compiled case histories of a thousand people of all ages, and the results point to four major sources that dissipate loneliness:

A romantic love relationship; (the most important one for those under 25 but not exclusively in this age group);

A relationship with family, friends and the community;

The quality of the relationship in these four areas is equated with the degree of loneliness a person may suffer.

Some of the doctor's findings:

Cause of loneliness is often not because people are living alone. Eight out of 10 people recalled that their most intense periods of loneliness occurred when they were with other people.

Many older people feel emotionally isolated and miss the past.

Teen-agers are especially prone to loneliness. Their's is an emotional no-man's land - misunderstood by parents and having, often, difficulty establishing relations with their peers.

The extent of loneliness is a world-wide phenomenon. An ad recently appeared in a local newspaper in Vienna, inserted by a 60 year old woman ...

"If you have no one who will listen to your problems and troubles, make an appointment with an older, sympathetic woman willing to help you carry your burden. Reasonable Fee."

The response was overwhelming.

•

**WHAT CAN BE DONE?**

No simple or guaranteed techniques to help a person overcome loneliness are available. From a workshop on 'Dealing with Loneliness' at York University and from other research, the following suggestions are offered:

Have a complete physical examination. (apathy, depression, fatigue are often symptoms of physical illness).

Look at yourself objectively. (Have you traits, attitudes, behaviour patterns that might be responsible for your aloneness).

Force yourself to do physical exercise. Make a determined effort to overcome your loneliness.

Develop an interest in cultural affairs, hobbies and/or organized groups.

Look around for someone you can help.

Don't depend on one person to fill your needs. Build a whole network of relationships among relatives, friends and acquaintances.

# Local couple wed recently

On June 17, the United Church in St. Albert was the scene of a pretty spring wedding, conducted by Rev. Len Musto. United in marriage were Angela Kochan, daughter of Herman and Gisela Kochan of St. Albert and Fred Roach, son of Norman and Beryl Roach of St. Albert. A reception followed at the Legion.

The Kochans' would like to thank all those who came for the wedding from the United States, British Columbia, Saskatchewan and Red Deer. Thanks also go to those on both sides of the family who helped make the wedding such a success.

The couple is now residing in St. Albert.

MR. AND MRS. FRED ROACH

# Banks goes to Swiss jazz festival

The Tommy Banks Orchestra, long known for its high standard of performance of jazz and contemporary music and more recently as a superb Television Variety Orchestra, has been selected to represent Canada at the 12th International Jazz Festival in Montreux, Switzerland, in July, 1978.

The orchestra has been sponsored by CBC Radio International with the generous assistance of the Government of the Province of Alberta through the Hon. Horst A. Schmid, minister of Culture, and the Federal Department of External Affairs.

The live performances of the orchestra in Montreux, will also be recorded for later play throughout Canada. Well known blues and jazz singer "Big" Miller will accompany the orchestra.

It marks the first time a Western Canadian Orchestra has been selected for such an occasion. All regular personnel of the group will make the trip. All are members of the Edmonton Musicians' Association.

They include: Saxophones: P. J. Perry, Ian Saddler, Peter Thompson, Rick Garn, Earl Seymour; Trumpets: Gary Guthman, Harry Pinchin, Rick Tait, Bob Tildesley; Trombones: Bob Stroup, Curt Watts, Sharmon King; Piano: Tommy Banks; Guitar: Bobby Cairns; Bass: John Sereda; Drums: Tom Doran. 'Big' Miller, vocalist.

The orchestra can be heard immediately before departing for Montreux at the Hot Box each evening July 5, 6 and 7.

# Community Services Report

**Submitted by City of St. Albert**

**PLAYGROUNDS**

The summer playground programs will once again be in operation at each of the outdoor skating rink shelters, starting on Monday, July 10.

The 6 - 12 year olds can attend daily, Monday through Friday (excluding Monday mornings) from 9:30 a.m. - 4:30 p.m. with a lunch break from 12 noon - 1 p.m., during which the leaders are not responsible for children remaining at the playground. On the Monday mornings from 9:30 a.m. - 12 noon, there will be a special program for children of two to six years. (Children not toilet trained must be accompanied by a parent).

**SENIORS**

Mr. Stan Mill will be showing slides on Germany and Israel on Thursday, July 6th at the Senior Citizens Centre around 12:30. Everyone is welcome.

This presentation will follow the Meals on Wheels lunch served weekly. If you know of "seniors" who would benefit attending such functions, kindly contact Jenny Allan at 458-0473 or Hettie Blades at 459-4756.

**BABYSITTING**

New residents to St. Albert may be wondering where they can get a babysitter or where they can get a job as a babysitter.

There is a babysitting registry with volunteer co-ordinators in each district of St. Albert. This is strictly a referral service as the co-ordinators are not responsible for the conduct of babysitters or the financial arrangements.

Following is a list of the area co-ordinators whom you may contact for either service.

Akinsdale - Mrs. Clague, 458-0141; Braeside - Mrs. Sass, 458-3281; Forest Lawn - Mrs. McConkey, 458-5923; Grandin - Mrs. McCoy, 458-0842; Grandin - Mrs. Swekla - 458-4638; Lacombe - Mrs. Giger, 458-2693; Lacombe - Mrs. Childs, 459-6241 Mission Park - Mrs. Manegre, 458-0780; Sturgeon - Mrs. MacKenzie, 458-1240.

## Scores low in English tests

Results of the 1978 Achievement Test in High School English have been released to English 30 and English 33 students and are now available to schools to allow teachers, according to local policy, to include the results as part of the student's mark.

The test consisted of a three-part reading test which concentrated on vocabulary, comprehension of ideas and appreciation of style, and a test of writing which concentrated on thought and expression. Only one part of the reading test was common to both student groups.

The average score for the nearly 9,000 English 30 students on the reading test was 58%. Approximately 33% achieved a standing of "B" or higher, 39% achieved a "C", 19% achieved a "D" and 9% achieved less than 40%. On the portion common to English 30 and 33 students, the English 30 students achieved an average of 63.4%. The average score on the part written only by English 30 students was 50.1%.

The average score on the reading test for the approximately 3,800 English 33 students was 47.5%. Approximately 11% achieved a grade of "B" or higher, 29% achieved a "C", 29% achieved a "D", and 31% scored below 40%. On the portion common to both student groups, English 33 students achieved an average of 47.53%. On the part written only by English 33 students, an average of 45.53% was achieved.

On the test of written expression, 34% of the English 30 students achieved a "B" or higher, 60% achieved a "C", and 6% achieved scores at a lower level. On the same test, 5% of the English 33 students achieved a "B" or higher, 63% achieved a "C" standing and 32% scored at a lower level.

The test of writing was graded by classroom teachers of English, heads of high school English departments and supervisors of high school English, as well as two representatives from two of Alberta's universities.

Comparison of the results of the 1978 Achievement Test in High School English with results from previous years is not appropriate as previous judgments of student achievement included other areas of the Language Arts program.

An analysis of the province by region has not disclosed any major discrepancies in student achievement in either group.

These 1978 results will serve as a vital benchmark for future measurement of achievement.

# U of A states financial case to government

The University of Alberta has stated its financial case to the provincial government.

The university earlier requested a 15.3 percent increase in its yearly operating grant from the province and the government responded with an 8.25 percent increase, an amount which resulted in a $6.2 million shortfall for the university.

In response to the university's overall concern, Premier Peter Lougheed and Dr. A. E. Hohol, minister of Alberta advanced education and manpower, invited statements detailing specific financial problems.

Statements by the council of department chairmen, the librarian, and the deans of the Faculties of Agriculture and Forestry, Arts, and Graduate Studies and Research were recently forwarded to the government for consideration.

Each statement expressed uneasiness with the university's 1978-79 financial situation.

In its submission, the council of department chairmen stated that a number of departments would be unable to combat excessive class sizes in the coming academic year.

The loss of the availability of graduate teaching assistantship was also mentioned in the submission.

Bruce Peel, librarian to the university, said that at least 90 percent of the material acquired by the library comes from outside Canada and is subject to inflationary conditions and the decline of the Canadian dollar on the world market.

Essential books which must be purchased from Britain, France, Germany and Holland have undergone a price increase of from 20 to 40 percent in the last three years, he said.

He also noted that the library may have to reduce periodical subscriptions by 2,000 to 3,000 titles. If this measure is taken, the university would have about 12,000 periodical subscriptions, other North American institutions of similar program levels typically have a subscription list of 20,000 to 25,000 titles.

Dr. J. P. Bowland, dean of the Faculty of Agriculture and Forestry, noted that the department of plant science has eliminated its telephone answering service for horticultural problems because of staff limitations.

He also said the department of entomology is having difficulty in maintaining its insect identification program and may have to end this public relations function.

It was the opinion of Dr. R. G. Baldwin, dean of the Faculty of Arts, that Canadian Studies, East Asian Studies, Proficiency in English, and Film Studies will definitely feel the financial pinch.

Dean Baldwin also said that unless the department of English can pick up additional support from outside the university, its writer-in-residence program is likely to collapse.

He said the department of political science does not have the manpower to offer courses in Quebec politics, let alone the politics of other provinces except Alberta.

# To offer building with logs course

A course on how to build with logs will be offered by Grant MacEwan Community College this summer.

The two-week course will devote about two-thirds of its time to the actual construction of a small log building -- about 20 feet square -- at the course site on the Mill Woods Campus.

Master builder Bernhard Werner, construction superintendent for Fort Edmonton and other major projects in Alberta, will be the course instructor.

Courses on the historical background of timber construction, good and bad points of log construction, timber selection, quality of timber, preparing cost estimates, construction techniques, the foundation, tools and equipment, safety considerations, design factors, insulation and others will be included in the instructional program.

Log notches will be cut with both hand and power tools and all participants will be expected to take part in the building process.

The course will be held August 14 - 25 at the Mill Woods Campus, 7319 - 29 Avenue. Classes will be held from 9 a.m. to 5 p.m. Monday to Friday.

The course fee is $160 and includes the use of essential equipment.

Registration is limited and early application is recommended.

Further information and registration forms are available from: Continuing Education Division, Grant MacEwan Community College, Mill Woods Campus, 7319 - 29 Avenue, Edmonton, Alberta, T6K 2P1, telephone 462-5550.

# *Institutional Research Director is appointed*

On July 1, Dr. Edward Holdaway will become director of the office of institutional research and planning at the University of Alberta.

Dr. Holdaway, a professor of educational administration will become extensively involved in long range planning for the university.

A committee made up of the university's vice-presidents and Dr. Holdaway will set policy and determine priorities for institutional research.

Dr. Holdaway succeeds Dr. W. A. Preshing who is now the university's director of community relations.

A native Australian, Dr. Holdaway has studied at Australian and Canadian universities and has taught at the secondary and post-secondary levels in both countries.

He has been on the faculty of the University of Alberta since 1968 and has taught graduate courses in research design and data analysis, administration of educational personnel, administrative behaviour, and evolving concepts in educational administration.

Dr. Holdaway holds Bachelor of Education and Bachelor of Science degrees from the University of Melbourne and Master of Education and Doctor of Philosophy degrees from the University of Alberta.

He was president of the Canadian Educational Researchers' Association from 1976 to 1978.

His research activities include an examination of policies and practices used in formal evaluation of teachers in Alberta, a comparison of ratios of staff and salaries in elementary and secondary school systems in Canada and Australia, and a study of job satisfaction of teachers in Alberta.

During a sabbatical leave in 1974-75, Dr. Holdaway examined the organization of educational research in Britain, Sweden, Germany, Australia and New Zealand.

## Musical to have world premiere here

Artistic Director, Peter Coe, last week confirmed that Flowers For Algernon, with music by Charles Strouse, book and lyrics by David Roger, and starring William Atherton, will premiere in the Shoctor Theatre on December 13, 1978.

Composer Charles Strouse is famous for his Broadway hits Bye Bye Birdie, All American, Golden Boy, It's A Bird...It's A Plane...It's Superman (a Best Play, 1966), Applause (a Best Play, 1970 and Tony Award winner for Best Musical) and most recently, Annie. Other compositions include the theme song for the TV series "All In The Family," and the movie scores for "Bonnie and Clyde," "The Night They Raided Minsky's" and "There Was A Crooked Man." Strouse will soon be publishing a piano concerto and an opera.

Based on a prize-winning science-fiction novel by Daniel Keyes, from which a film – "Charly" – and a television special were made, Flowers For Algernon is the story of a mentally-retarded adult whose corrective brain surgery not only raised his IQ, but enables him to become a genius. It is the simple and suspenseful dramatic situation of a man faced with a whole new life, wondering, like most of us, how long he can hold on to it.

Playing the role of Charlie will be William Atherton. Mr. Atherton has appeared in many films, including "The Class of '44," "The Hindenburg," "The Day Of The Locust" and, most recently, "Looking For Mr. Goodbar." In addition to work in film, he has played on and off Broadway, winning the Outer Critics Circle Award, Drama Desk Award, and Theatre World Award for his performance in Suggs In The City at the Lincoln Center, New York City.

The world premiere of Flowers For Algernon opens in the Shoctor Theatre December 13, 1978 and runs until January 7, 1979. For subscription information phone the Citadel Theatre Box Office at 425-1820.

## *The Spirit of '98*

For the sixth year in a row, Susan Woywitka will produce the special Klondike Days event The Spirit Of '98. This mini-extravaganza about the "Gay 90's" will be held in the Centennial Library Theatre daily from July 20 - 29 at 2 p.m. Admission is $1 per person at the door. The show is one hour long without an intermission.

The Spirit of '98 tells the story of the Gay 90's in song, dance, Klondike stories and poems by Robert Service. Featured this year with Susan are Bonnie Beaton, Clari Cowan, Kelly Handerek and Wendy Albright at the piano.

Every year the show is completely different so don't miss The Spirit Of '98, another exciting event of Klondike Days in Edmonton. Call 423-2331, Ext. 217 for further information.

## *French play for kids at Library*

Theatre Du Centre F.J.A. presents "Cirque ou Bedon," a play for children between the ages of 5 - 13 in the Music Rooms of the Centennial Library in Edmonton on Wednesday, July 12 and Friday, July 14 at 2 p.m.

Admission is free to this play, a visual presentation for children in French. For further information call 469-0118.

*A Circle of Friends*

*Les Amis troupe members Sandy Bricker, Mara and Jamie Banks paint some collection boxes with the troupe's new logo designed by Jamie. The insignia will no doubt become a familiar sight around town this summer, as the troupe visits the playgrounds in the summer playground program. The boxes, located at City Hall and Community Services on Muir Drive, are waiting for donations of sheets, jackets, suits, hats, glasses, long dresses etc., needed as props for the groups summer program of plays.*

## Carlyle photos at Gallery

Featured in the Photography Gallery, on the second floor of the Centennial Library during the month of July is an exhibition of photographs by Art Carlyle.

The pictures in this exhibition are of Edmontonians having fun presenting themselves to the camera, and as such, are designed to entertain or elicit a pleasing emotional response from the viewer. Carlyle feels too many exhibits depict sadness or the seamy side of society. Window lights, strobe lights, flood lights, and ordinary light bulbs were used as light sources in these photographs.

Arthur Carlyle has lived in Edmonton thirty three of his thirty five years and began photography as a hobby at Eastglen High School. After completing school, Art joined Alberta Government Telephones where he completed apprenticeship as a communications electrician. In 1968, after spending six months travelling in Europe, he rejoined AGT where he was editor of the company newspaper for six years and is currently Section Supervisor, Public and Employee Information.

Primarily a self-taught photographer, Art Carlyle has attended evening courses in photography at the Northern Alberta Institute of Photography, a wilderness photography course sponsored by the Banff Centre and a course at Goldeye Lake sponsored by Grant MacEwan Community College.

The exhibition will be held from July 4 - 30 in the Photography Gallery at the Centennial Library. Call 423-2331, ext. 217 for further information.

THE CITY OF St. Albert

# Audio and Sound Spectrum

## ...For everyone about equalizers

with Simon

An equalizer is a device consisting of reactive elements which may be connected into an electrical circuit for the purpose of altering the frequency characteristics of that circuit. Outside of amplifiers themselves, there is nothing more common in audio. No record or tape in any form could be made or played without equalization.

In general, there are many types of equalizers, and there are many uses to which they are put, but we will concern ourselves with "variable" equalizers which could be utilized for shaping the frequency response of our amps, pre-amps, mixers, and so on.

The "graphic" equalizer is used to tune the overall listening response of a monitor system in a room. Of course, the bass, mid and treble controls on your amps are equalizers as well, but most recording studios favor the use of the "parametric" equalizer.

Basically, equalizers concern themselves with two or three major "parameters" (a) frequency (which part of the audio spectrum will be directly affected), (2) amplitude (how loud the affected portion will be in relation to the others), and most important of all, (3) bandwidth, which shows how much of the nearby spectrum is affected.

The sharpness of an equalizer curve is usually specified by "Q", and for those who care: Q equals fc over BW where fc is the centre frequency and BW is the band width in Hz. Hi "Q" curves have various bandwidth and will be expressed as fractions of an octave. We are all aware that a musical octave is equal to doubling or halving of frequency.

For the more practical user, who does not want to engage in audio mombo-jumbo, here are a few things you could do with an equalizer.

(a) Bring out a particular instrument in a band, like the crash of a cymbal or the meaty tones of a snare drum.

(b) Tune out unwanted frequencies, like muddy bass guitar or rumbling bass rum.

(c) Add more "presence" to a recorded piece, especially in the mid-range area where the human ear is more sensitive. Try adding more "brilliance" to a 12-string acoustic guitar or a female voice.

(d) Tune your audio system to your listening room.

When you go shopping, for your unit, be particularly wary of the so-called professional equipment. The only thing professional or valuable about it is the lettering.

Watch out for the "noise" figures: for example, if a device has an S-N ratio of 85dB and a maximum output of +10V, what is the 85dB referred to? You will probably be operating with a nominal of 1V, and if so, assume your S-N ratio is about 18dB less, and this is quite a drop.

You must also check out for impedance matching. Remember Lo-Z to Hi-Z will work, but a reversal will cause distortion.

The undermentioned manufacturers market good units from very affordable prices to the very expensive.

Ace Audio, ADC, Altec, Auditronic, Cerwin Vega, Crown, Dynaco, Furman-Rothchild (very good and cheap), Heath, JVC, Pioneer, Shure, Soundcraftsman, Technics, Tapco (recommended) and Urei.

Next week: An essay on contemporary music and general public listening tapes.

## New novels at the St. Albert Public Library

By Louise Frier

Tugboat Annie; great stories from the Saturday Evening Post, by Norman Reilly Raine. The first Tugboat Annie story appeared in the Saturday Evening Post July 11, 1931. Seventy-four followed. The stories in this book are jammed with action, but it is Annie as a character that makes them memorable. She is independent, the original women's libber, a woman who would be amazed at her sisters having to demonstrate for equality.

Counterstroke, by Andrew Garve. For lovers of crime - this book will be good reading. Andrew Gagne wrings the last drop of suspense from this terrifyingly topical novel, which reaffirms his place as an arch-plotter and master of ingenuity.

Return to Love, by Daphne Clair. This is a love story set in New Zealand. Melanie and Kel meet after a five year separation. Melanie had always thought of Kel like a brother. But now, suddenly, she had stopped feeling sisterly towards him, and he admitted freely, he couldn't keep his mind off her. For those who enjoy a good romance - this is it!

To Catch a Spy, by Chris Scott, a Canadian writer. To Catch A Spy is a spellbinding suspense novel that will tax the deductive powers of the most demanding reader. It probes the very nature and essence of that deadly game that nations play: espionage and counterespionage.

Especially Babe, by R. Ross Annett, with an introduction by Rudy Wiebe. The author R. Ross Annett is an Albertan since 1914. He taught school in the rural areas around Consort. His first book "It's gotta Rain Sometime," was published by The Post in 1938. Especially Babe, is the story of a farm family during the depression.

Bearwalk by Lynne Sallot and Tom Peltier, Canadian writers. This novel is set in a fictional time, in fictional places, peopled with fictional characters. What of the Bearwalk, the reader may ask: do such things honestly exist? Will the sun rise tomorrow? With the same degree of certainty that he affirms his future, the reader may believe in the past. Everything that could happen has happened here and will, no doubt, happen again. Bearwalk is the story of a contemporary man snared in the trap of his own delusions - a man blind to all around him, including the wisdom of his own forefathers. The authors have based their story on a real incident in which a man and his wife were actually "bearwalked."

# School Gazette

**Frank Valiere retires**

*Staff at Ronald Harvey School marked the retirement of caretaker Frank Valiere at a staff party last week. Jack Bauman, principal of the school presented Frank with pocket calculator. Frank has been with District 6 since 1966 working at Robert Rundle, Lorne Akins, Leo Nickerson and Ronald Harvey schools. He asked the Gazette to be sure to mention that the teachers had treated him very well. The mention, he said, would ensure they invited him back for the occasional visit.*

## Summer "hot spots" starts today

By Bill Robertson

"Hot Spot 78" starts today. Anyone between 13 - 16 can come on down to either Sir George Simpson or the Lacombe clubhouse.

Canoe building starts Thursday. The other programs, crafts, drama and games, start Wednesday. So come on down and let's get the summer going. Remember too, movies start this coming Monday, July 10, 12:30 at Lacombe, 5 p.m. at the Teen Centre and 7:30 p.m. at Sir George Simpson. The cost, 75¢ per person, goes to pay for the films and any profit will be used by the Hot Spot for materials in crafts, and to help meet our expenses for other summer activities such as horse back riding, camping and many others.

## Magic for beginners

The Children's Services Division of the Centennial Library in Edmonton is holding a program of "Magic For Beginners" for children ages 10-14 from July 18 until August 22.

Interested children are invited to the Children's Library every Tuesday afternoon at 2 p.m. beginning July 18 where they will be instructed in simple magic tricks.

Pre-registration is required. Telephone the Childen's Library 423-2331, Ext 348 to pre-register or for more information.

## Important Notice To Taxpayers

A Property Tax Reduction Form was enclosed with each Tax Notice and is to be completed and returned **Only by those persons who** did not receive the minimum benefit and who meet all the conditions of eligibility set out on the form.

Homeowners eligible for the Basic Claim should refer to the box on the **Tax Notice** headed Provincial Government. If the amount is $200 or more, there is no further reduction and the form should be ignored.

Senior Citizens, on reaching age 65 are eligible for a $400 refund. Again the amount shown in the Provincial Government box on the **Tax Notice** will indicate the amount that has already been credited and if the amount is $400 or more, there is no further reduction and the form should be ignored.

If the amount in the boxes are less than the above stated amounts, please complete the form very carefully and return to the City of St. Albert.

## report

Continued From Page 6

bility was felt necessary.

Woods Gordon proposed that school financing be adjusted to relate to the number of empty classrooms available for use in each jurisdiction, with less support going to jurisdictions having much surplus space. Regional cost differences and "ability to pay" would also be taken into account.

Reaction was negative in some instances toward being penalized for empty classroom space. There was cautious support for financing on the basis of "ability to pay" and strong support for funding recognition of regional cost differences, either by formula recognition or full provincial funding of approved space. There was strong support for a new leasing concept for acquisition of new space and disposal of unused space.

There was some objection to the current practice of counting science and other ancillary rooms as regular classroom space for school funding, as well as objection to the current practice of debenturing. Provincial "pay as you go policy" was viewed as providing interest savings and a debt-free future.

"Decisions concerning basic changes in the School Building Support Program are under consideration," the Minister stated. "We are also giving further consideration to the future of the Building Quality Restoration Program, since there have been numerous requests to retain it. In addition, we have received requests to expand the guidelines to include modernization of buildings, meeting the demand for energy conservation, vandalism prevention and fire protection."

# On The Home Front

## Selecting a travel wardrobe

By Pat Doerksen
District Home Economist

Vacation time starts us thinking about our wardrobes - what will I pack, what will I wear, what new items do I need.

If you are the type to backpack into the wilderness, or cross the country on a motorbike, a pair of jeans, a couple of warm shirts and a warm waterproof jacket will complete your ensemble. But most of us want more variety in activities, and therefore require different types of clothes.

### FABRICS

Knit fabrics are your best choice for comfort and easy care. Jerseys, warp knits, and doubleknits pack easily because they don't wrinkle or crease and maintain their good appearance during wear.

Woven fabric will wrinkle and will probably require at least touch up ironing. A travel iron would be an asset, and doesn't take up much space.

Consider what CARE is required - what facilities for laundering will you have?

### GARMENTS

Try to anticipate the varied activities you may encounter, and take only one outfit for the activities on the 'maybe' list. Plan to co-ordinate these 'maybe' items with the clothing you know you will use.

Select suitable garments for all temperatures and weather conditions. Rainy cool days seem to find their way into nearly everyone's vacation, and hopefully warm sunny days will take precedence! A coat - preferably water resistant - or a warm sweater are essentials.

### CO-ORDINATES

Co-ordinates are invaluable in a travel wardrobe - for folks of any age! If a jacket can be worn with a skirt, pants, shorts or a dress in addition to its matching garments - take it! Then co-ordinate other pieces to wear with more of the garments. With a limited number of garments, you can appear to have a varied and extensive wardrobe.

But beware! If you will be in contact with the same people for several days, you may quickly tire of wearing the same few clothes mix and matched. It would be a pleasant change to see a different color occasionally!

Co-ordinates, of course, are not necessarily centred around traditionally basic colors - navy, brown, grey and black.

Select any outfit you like that can be worn with at least one other article in your wardrobe. You may be surprised how many articles you have that can be mixed and matched. Perhaps only a new shirt blouse or pair of slacks are needed to tie it all together.

## Christian Women's Club meets

The St. Albert Christian Women's Club will hold its brunch meeting this month at a new location. The Club Mocombo will set the scene for the July gathering, which will be a special meeting for Mothers and Daughters 10 years and over. The group will meet Thursday, July 13 from 9:30 to 11:30 a.m. Admission is $4 per person.

July is ideal barbecue weather and the topic of this month's presentation will provide outdoor gourmets with some original and mouth watering ideas. District Home Economist Pat Doerksen will be giving the talk, entitled "Charcoal Chefs."

Soprano Rose Hodges will bring music to this month's meeting, while inspirational speaker will be Joanne Penner, mother and homemaker.

As usual, reservations are essential, and cancellations necessary. A nursery will be available at the Club Mocombo at a charge of $1.50 per mother. This service is for pre-schoolers only. If you are not contacted about attending by July 7, please call 459-3893 or Lorraine Carter either Judy Wideman at at 459-7313.

# Improved kitchen cabinets wanted

Kitchen cabinets should be made safer and more practical according to the Canadian Standards Association's Consumer Advisory Panel on Standards which met recently in Vancouver. The Panel, consisting of about 20 consumers from various organizations, discussed the CSA's proposed new Standard A278, on Kitchen Cabinets and Bathroom Vanities. CSA has been testing cabinets for the last year and certified cabinets bear the CSA mark.

"In general, the Panel is satisfied with the Standard, but we do feel improvements could be made," explains Murray Clarke who is retired from the B.C. Workers' Compensation Board and acted as moderator for the meeting. "We feel there should be more flexibility in shelf spacing because many tall boxes and bottles won't fit into today's cabinets. These cabinets should also be at least 12 inches deep in order to hold large dinner plates and items such as aluminum foil, so, we recommended that all cabinet shelves be adjustable."

The group of consumers also discussed the pros and cons of cutting boards. Some members felt they should be built-in, while others thought built-in cutting boards could accumulate bits of food and become unsanitary.

Since countertops are not included in the standard, CSA does not test them and the panel recommended that some sort of notification be affixed to cabinets informing consumers that the certification does not apply to counter tops.

The Vancouver group agreed with its sister panel in Toronto which also reviewed the standard and recommended last year that kitchen cabinets provide for at least one child-resistant door and that the standard contain a drawer stoppage test to prevent the drawer from being pulled out too far and falling on someone's lap or foot.

"Child-proof cabinets are needed to make dangerous products inaccessible to children," says Mr. Clarke. "Bathroom and kitchen drawers should also contain some sort of stoppage as a built-in safety device."

The Consumer Advisory Panel, which consists of people from all walks of life, meets regularly to comment on CSA's standards and their suggestions are sent to CSA committees for their consideration.

# Parsonally Speaking

**Pastor B. L. Heath**
**First Baptist Church**

**WHO, ME?**
**A VERY PERSONAL QUESTIONNAIRE**

When Jesus approached Calvary, He announced that one of the apostles would betray him. Instead of pointing an accusing finger, each began asking, "Lord, it it I?" It would be a splendid spiritual exercise were each of us to meditate on the following questions and ask "Lord is it I?"

1. Am I so critical that I see only a person's faults and not his good points?
2. Am I so childish that people must handle me gently lest I be offended?
3. Am I mature enough to receive hurts and disappointments without feeling mistreated and making everyone else miserable?
4. Do I hurt other people while bragging "I believe in saying what I think?"
5. Can I be completely trusted with confidences?
6. Do I encourage smutty yarns by hearing and laughing at them?
7. Am I guilty of making sarcastic remarks about the success of others?
8. Am I big enough to admit when I am wrong or do I seek to excuse myself by blaming others?
9. Do I excuse my sins while self-righteously condemning those of others?
10. Are others lifted and helped by their association with me?
11. Do I follow after peace or do my words and actions promote strife?
12. When the good name of an outstanding person is undermined do I silently rejoice "That's what I thought all the time?"
13. When a discourtesy is shown me do I brood over it and determine to "get even"?

- Selected.

## 12 guidlines for dealing with value conflicts

By Sawak Sarju

1. Expect value conflicts; they are a part of all relationships. Be ready for them.
2. Keep relaxed and a sense of inner quietness. Relax and meditate regularly.
3. Admit there is a value conflict; do not ignore it. This is hard to do, especially if we think value conflicts are a sign of failure.
4. Identify the values that are in conflict. Know and respect your values. Know and respect the values of the other person.
5. Listen, really listen, with understanding to the value and feelings of the other person. Get inside the values of the other person.
6. Look at your values. Where did you get them? Why are they so important to you? Which of your values could you consider changing? Which would be impossible to change? Which of your values and beliefs are you really committed to?
7. Be honest and open. Let the other person get inside your values. Stand up for them. Model them! Affirm them!
8. Be willing to serve as a consultant and a clarifier. Have facts and resources at hand. Know how to carry on a conversation about faith and values. Use I-Messages and Active Listening whenever appropriate to communicate effectively.
9. Above all else, keep a warm, open, congenial relationship. Lose this and you lose all influence. Have faith in your faith and in your influence.
10. Limit hassling. No one likes to be hassled by another, even for a good cause. It soon brings negative returns.
11. Keep a sense of grace. Respect the freedom of others to choose their own values. We don't own each other. We are not responsible for each other's decisions.
12. Pray! Pray for yourself and the other person(s) involved. Pray for understanding. Pray for courage to change what can be changed, for serenity to accept what can't be changed, and for wisdom to know the difference.

## *Vacation Bible School starts soon*

St. Peter's Evangelical Lutheran Church will be conducting a Vacation Bible School Monday through Friday, July 10 - 21. The session times will be from 9:30 - 11:30 a.m. The purpose of the Vacation Bible School is to reach out to the children of this area with the wondrous message of Jesus' and the forgiveness He offers to all men. Therefore, the theme of this year's Vacation Bible School is JESUS CHRIST-SAVIOUR. St. Peter's invites children to come and learn about their Saviour during our Vacation Bible School. Children from three years to 12 years of age are welcome. St. Peter's is located at 55 Stanley Drive.

## Baha'is celebrate Holy Day here

On July 9 between 11:30 a.m. and 12:30 p.m. the Baha'is of St. Albert will be commemorating a special Baha'i Holy Day in Lacombe Park. On this day in 1850 in Tabriz, Iran the Bab, Forerunner-Prophet of the Baha'i Faith was ordered shot by the Muslim clergy for proclaiming God's message of the unity of man and religion. Every year, Baha'is all over the world commemorate this occasion to thank God for the sacrifice evidenced by His Prophets and to remind themselves and the world of God's wish for the unity of the world.

# Home of the Week

**THREE BEDROOM STRAIGHT ENTRY**
**Plan No. P1-3-272**

This family home looks like a cottage from the front, but in fact contains many luxury extras not found in many larger homes. There is also plenty of room for future expansion in the unfinished basement, with roughed-in plumbing and fireplace, as well as expansive areas for bedrooms, workshop and storage.

Consideration should be given to the lot size, as the measurement of the house, without the sundeck or approach is fifty-two feet. At the side is a driveway to the double carport, which could easily be converted to a garage. Fieldstone is featured at the front entry in direct contrast to the vertical siding, and the same stone encases the chimney.

Double panelled doors open to a large entrance foyer which leads to the spacious living room on the left. A corner fireplace, with wood-storage box, is featured here and three picture windows give a maximum of daylight from the front. Open wood spindles look into the basement stairwell and help create a more spacious effect.

A wide arch to the dining room extends the area of both rooms. There is room here for a formal dining room suite. Another twin arch leads to the family room and well designed kitchen. An eating bar for breakfast, lunches, and short snacks, is conveniently placed for easy service. Sliding doors from the family room open to the large sundeck, which also has a flight of stairs to the ground level.

The utility, close to the kitchen via the inner hall, has a broom closet, supply storage cupboards and a tub, in conjunction with the washer and dryer. Here an outside door leads to a rear stairway and this room could be used as a change-mud room.

A coat and linen closet form part of the inner hall leading to the bedroom wing. The three piece vanity bath serves the two smaller bedrooms.

The master suite facing the front of the house is assured of privacy and seclusion by the placing of the entrance door. A large walk-in closet and the three piece shower ensuite create a luxury master bedroom.

A home for an active, growing family, where future development can be completed as required, and yet this home is luxurious in its present layout.

Plans for design No. P1-3-272 may be obtained at a cost of $88 for a set of three and $9 for each additional copy Allow $2 to cover postage and handling.

To view more than 100 well-designed quality homes of every type, send for the current publication of the Home Plan Catalogue available for $2.60 ($2.25 plus 35¢ postage and handling). Make all cheques payable to Plan of the Week and mail to: Plan of the Week, c/o St. Albert & Sturgeon Gazette, 324 Columbia Street, New Westminster, B.C. V3L 1A6.

# Toros runners-up in Klondike lacrosse tourney

A strong Edmonton Aspen Gardens club edged St. Albert Toros in the finals of the Klondike Bantam lacrosse tournament held at Akinsdale Arena over the long weekend. With teams from Fort McMurray and Whitecourt, these clubs participated in a highly successful event which originally was to have been part of the Seniors' tourney held at Jasper Place, but was moved at the last minute to St. Albert.

*Second Place*

*Captain of the St. Albert team, Tony Baller receiving a silver medal from Lyle McClain, president of St. Albert Lacrosse. In the background is Mel Knott of Lepage Melton, sponsors of the Klondike Tournament. The standings were Aspen Garden Hustlers - 1st place; St. Albert Toros - 2nd; Whitecourt - 3rd, and Fort McMurray - 4th.* *Photo by Mowry*

Organized as a round-robin, the tournament opened with greetings from Mayor Ron Harvey Saturday morning .. Aspen Gardens qualified for the final by beating all of the other entrants. St. Albert Toros reached the finals by winning 4 - 3 over league rivals Whitecourt on Saturday, trouncing Fort McMurray 6 - 1 Sunday morning, and losing 14 - 3 to the Edmonton club. The latter game was tied at 3 - 3 midway in the second period, but the local team seemed to succumb to the pressure of back to back games and allowed Aspen Garden to almost score at will.

The tournament finals Sunday afternoon featured Whitecourt versus Fort McMurray in the Consols, and St. Albert vs Edmonton in the championship event. Both games were exceptionally exciting, featuring close, well played lacrosse. In the Consols, the Fort McMurray club, which is in its inaugural year, pushed Whitecourt to the limit, before bowing 4 - 3. The Whitecourt team, which has also been only recently organized, claimed the Bronze medals for this tournament.

In the championship finals, Toros went out looking for revenge for the previous loss to Aspen Gardens. After a scoreless first period, which was really a duel between Toros goalie Chris Lane and his Edmonton counterpart, both teams went out in the second but could manage only a 1-1 tie. Dave Holden counted for St. Albert.

The final period saw Edmonton move ahead, only to be tied again by a low corner shot from Erin Oor. Midway in the final frame, Aspen Gardens went ahead 3 - 2, then clinched it in the final minutes with a goal by their high scoring Captain, Pruden.

In the presentation ceremonies, the president of the Edmonton and District Lacrosse Association, Doug Walkey, praised St. Albert for hosting such a successful event. St. Albert Lacrosse Association president Lyle McClain thanked participating clubs and expressed interest in seeing the tourney repeated next year. Mel Knott, from Melton Realty, which helped sponsor the tournament, presented silver medals to the Toros and gold medals to Edmonton.

The small number of lacrosse supporters who attended the games noted the appropriateness of holding a lacrosse tournament on Canada Day. Enthusiasm is building again in St. Albert for the National sport and it is to be hoped that support will be even stronger next year.

The Bantam Toros are now considering invitations to the Alberta Provincials in Red Deer, and a cultural exchange trip to Ontario.

# Juniors lose in Calgary tournament

St. Albert Territorial Juniors fastball club travelled to Calgary last weekend to compete in the 16-team Junior "A" tournament. They won three of five games played, but unfortunately did not make the finals.

In the opening game Saturday morning the Juniors banged out 14 hits and defeated Irma 13 - 5. Blain Galbraith went all the way on the mound for the Juniors allowing seven hits while striking out five. Blair Iseke had a pair of home runs for St. Albert and Galbraith had a solo shot.

The second game saw Mike Mitchell go all the way in a 6-4 win over Calgary Renfrew, the defending provincial "A" junior champs. John Mix had a home run in the Juniors four run seventh inning when Calgary was leading 4-2.

Ellerslie Juniors handed the Territorial Juniors their first loss of the tournament as they scored four runs in the seventh inning and won 8 - 3. Blair Iseke was on the mound for the loss while team-mate Travis Parayko had a home run in a losing cause.

The Juniors bounced back in their fourth game Saturday as they hammered Calgary Scarboro 12 - 2. Mike Mitchell had a pair of home runs for St. Albert and Blair Iseke had one. Galbraith allowed six Calgary hits and struck out six in a winning cause.

Sunday morning, Calgary Bankview scored three times in the first inning with two out and went on to defeat St. Albert 4 - 2 in an excellently played game. St. Albert's only runs came in the fourth inning when Calgary booted the ball twice. Galbraith took the loss while Larry Gering went all the way for the winners getting 11 strike outs.

St. Albert will now advance to the provincial "A" finals in Brooks July 15 and 16. Territorial Juniors won the "B" title last year and will be looking for a repeat performance.

# Calahoo ball tournament this weekend

The Calahoo Sports Association will hold their annual July men's and ladies fastball tournament this weekend with 16 teams seeing action in both events.

Action gets underway Saturday morning at 10 a.m. in the ladies division but the teams that will participate were not known at press time.

The men's modified double knockout tournament starts at 12 noon on both diamonds.

Ernie's Transfer will meet United Plumbing and Gervais Construction takes on Alexander Tee Pee Crawlers.

The 2 p.m. draw has Edmonton O.V.playing Garden Valley Raiders while Malkin and Pinton meet the Calahoo Chiefs. At 4 p.m. it will be Ron's Trucking playing Spruce Grove KC's and Supreme Window taking on the Stony Plain Kings.

The final draw of the day will see Custom Printing playing Stony Plain Playboys and St. Albert LBH Builders playing Fort McMurray.

All teams will be back Sunday with the winners staying in "A" and the losers playing in "B".

Prize money in "A" will be $400 to the winner with the loser getting $250.00. The third and fourth place teams will get their $75 entry fee back.

The "B" winner will take home $250 and the loser $75.00.

A dance will be held in the arena and concession stands will be open both days. Admission will be charged at the gate.

# Juniors upset Spruce Grove K.C.'s

St. Albert Territorial Juniors pulled off a major upset last Wednesday night in Spruce Grove when they handed the front running KC's a 5 - 2 setback in Sturgeon Valley Men's Fastball league play.

The win marked the second time this season that the Juniors have defeated the highly rated Spruce Grove team.

The defeat dropped the KC's into fourth place in the 14-team league and moved the Juniors into fifth place two points up on St. Albert LBH Builders.

Blain Galbraith went all the way on the mound for the Juniors allowing only two KC hits including a home run by Herb Stenke. Galbraith struck out only two batters but his team-mates caught 16 fly balls.

Les Hrdlicka had a pair of hits to lead the Juniors while Wayne White had a home run off losing pitcher Brad Kent.

*VICTORY FLAG*

*. . . Number 299 Andy Dennison, gave out all the punishment that his go-kart could handle and his efforts were rewarded by his win at the Inter-Provincial Karting series at the St. Albert track. The shot shows Andy in his last lap, carrying the checkered flag for his victory lap. Andy Dennison is from Edmonton.* *Photo by Scott Holliday*

### Defensive Driving

*Passing may be legal while racing in the stock class but when there is only room for two cars one has to go. Super modifieds are the fastest cars at Cobra raceway and when they corner they usually do it on three wheels.*

*Photo by Al Popil*

## A & H Steel tops in Hercules girls softball

The 13 - 16 year old division of the girls softball completed their season at the end of June. The finals were run in a modified double knockout playoff. RMC Sports was the first team to be eliminated with losses to Prowestern Plastics and Wescon. A & H Steel then beat out Dairy Queen and Wescon beat out Prowestern Plastics.

In the final game A & H Steel met Wescon. It was an exciting game with Wescon ahead 9 - 2 at the bottom of the third inning. Then A & H Steel came alive establishing a lead of 15 - 11 at the bottom of the fifth and winning the game 23 - 16 after seven innings.

Heather McFee and Liz Bewell pitched for A & H Steel. Top hitters for the winners were Heather Mc Fee with a home run and Chris Powers with a triple. Dianne Dutnall and Svea Doran shared the pitching for Wescon.

Cathy Knight, Anne Marie Gardner and Mary Joyelle led the hitting for Wescon.

The league director would like to thank all of the coaches and the people who came out to umpire the games.

## Alexander Band launches annual Sports Daze

The Alexander Band Recreation Board has decided to get into an annual Summer Sports Daze with the first one scheduled for July 28, 29 and 30 of this year.

An eight-team senior baseball tournament and a 16-team ladies fastball tournament will be two of the major events with healthy prize money of $1200 for the men and $1300 for the ladies tournament.

Also sure to be a major attraction are Pony Chuck wagon and Chariot Races scheduled for Friday and Saturday evening and at 2 p.m. on the Sunday.

Saturday will feature a beer garden "under the big top" from 2 p.m. until 8 p.m.

Horseshoe buffs will look forward to a two-day tournament and for the big and strong fellows the tug-of-war will give them a chance to show their prowess.

There will be a big dance Saturday night and bingo Sunday afternoon.

Visitors will find lots of camping space available and the concession will be open each day.

Further information is available from Rene Paul of Alexander Band Enterprises or by phoning 939-4346 or 939-4347.

# *Landers shuts out Langs*

The old veteran Pete Landers put on an excellent display of ball control and also showed the younger generation how to swing the bat when his Red Deer Corvetts shut out Edmonton Langs 2 - 0 Sunday evening at South Side Industrial Park in Edmonton.

Landers, making his first appearance in Edmonton since 1976, allowed only one Edmonton hit, a single by Howard Schultz in the third inning. He struck out nine batters.

Corvettes Ken Parno led off the ninth inning with a single and went to second on an infield sacrifice by Dennis Bettencourt. Tom Thorndale then reached first base with a walk only to see team-mate Ed Ladobruk fly out to left fielder Lawrence Nellis. Landers then calmly stroked a line drive over third base that went to the fence and brought in the winning runs.

Landers then retired the side in the final inning to preserve the win.

Lawrence Nellis was the defensive star of the game as he came up with three excellent catches in the outfield. Emil Uniat went all the way on the mound for Edmonton getting six strike outs and allowing six hits.

Langs appear to have a very good defensive team but certainly lack in hitting power.

Edmonton's next home game will be Monday evening, July 10 when the Wetaskiwin Car Capitals will be here for a double header.

## Dunedin starting to move

The Florida State League Dunedin Blue Jays are starting to make their move in the standings recently. The Jays have won 12 of 18 games through late May and mid June and moved from last place to fourth in the league's northern division.

The Dunedin club has received outstanding relief pitching from Randy Wiens of Kamloops, B.C., who has picked up four wins and four saves in relief with an earned run average of 0.88 and getting lower by mid-June. Nick Baltz is right behind at 1.60. Among starters, Rafael Santana's seven wins were tops as was his 3.36 ERA.

Hitting was supplied in abundance by Faye Thompson, who leads the league in home runs with 11, in a league where large ballparks predominate. Greg "Boomer" Wells was batting an even .300 with eight homers and Ralph Wheeler started to get hot and moved up to .281.

# SAMBA - Bat Time Stories

**as told by Uncle Rick**

The St. Albert Minor Baseball Association's house league season may be over but SAMBA baseball just keeps a-roarin' on - as house league champions in Mosquito, Beaver and Bantam divisions continue play awaiting Zone A.B.A. playdowns which are slated to be coming up later this month.

Last weekend, all three categories were well represented at the annual Stettler baseball tourney and this is about the way it happened:

### BANTAM BATTERS BATTER OLDS FOR B BUNTING

It turned out to be a wonderful weekend of tournament baseball for the house league winners, Neil's Trailer Kings at Stettler as they brought home the trophy emblematic of the "B" event crown.

Now wearing the colors of Link Hardware and coached by Norm Heemeryck along with Roy Malanchen - the Kings opened their part of the weekend affair Saturday taking a hard-fought loss at the hands of the Provost Bantams 9 - 6. Dewayne Onyskiw started on the mound for St. Albert and after pitching for four complete innings retired in favor of Terry Yost who went the rest of the way. Most observers agreed that the SAMBA bantams were far the superior team, especially in batting, but just couldn't get it together against Provost.

With Blaine Malanchen in great form, St. Albert led 17 - 1 after three innings over Tabor's Bantam entry. Gerry Gleason and Russ Cockwill took turns on the hill for the remainder of the contest as Link Hardware won 20 - 13.

The "B" event championship game turned out to be even lesser of a battle as the Kings crowned Olds 17 - 7. The 10-run rule was put into effect at the end of the fifth stanza. This gave the St. Albert Bantam contingent the B trophy plus crests. Pitching depth and heavy hitting were the two big factors in this early summer season victory.

We heard by the grapevine that the "A" championship was claimed by the Red Deer Bantams ... a team the Link Hardware SAMBA Bantams may meet later on at some other time and some other place ...

### BEAVERS BAG ONE AND LOSE ONE AT STETTLER

Coach Vic Hogan's Beaver Cubs didn't bring back any trophies during their weekend sojourn to the Stettler three-ply get-together but the coaching staff was well-satistied with their two-game performance. The Beaver division champs were leading Camrose 6 - 0 on the twirling slants of Kent Lefebre before allowing five runs to cross the plate in the sixth frame. Lefebvre was the winning pitcher in the eventual 6 - 5 win.

The final fray of the tourney for the Cubs was decided in the second inning when seven very large counters marched across home plate on the offerings of losing flinger Don Carlson. Steele Heights of Edmonton provided the opposition as St. Albert's Beavers went down 11 - 3 with Brent Sedgewick doing most of the swinging for the Cubs.

Besides Sedgewick's brilliant six-for-seven hitting, Coach Hogan reports that his very capable group executed a triple play - third to second to first - the tournament's first and only. Weekend camping then became the order of the day as Tabor went on to capture the "A" event laurels.

### MOSQUITOS STING STETTLER; SWATTED BY BARRHEAD

According to Coach Bert LaBuick, St. Albert's Mosquito mob turned in their finest performance in the yet-young swummer season of baseball in their opening encounter Saturday at Stettler. "It was an almost perfect game," says Bert as his charges spilled the home club, Stettler by a whomping 15 - 1 score.

Pitchers Darryl LaBuick and Davey Ross of St. Albert combined their talents for 11 strike-outs over the five inning tilt ... LaBuick wiffing eight and Ross three. On top of it all was the fact that both LaBuick and Ross allowed no hits.

Unfortunately, LaBuick was bothered by a sore arm Sunday and was unable to take his turn on the mound against the Barrhead Mosquitos. Although close for the first two stanzas, Barrhead combed four St. Albert chuckers for many hits and a 16 - 5 triumph. Brad Beard, Joel Borle, Pat Wheatley, along with Ross were unable to stop the Mosquitos of Barrhead this time around.

In exhibition play against this same Barrhead squad, SAMBA's Mosquitos had won three of four home and home games. Peace River watered down Barrhead 10 - 6 to win the "A" Mosquito event. Tabor took the "B" event.

### MOSQUITO HOUSE LEAGUE PLAYOFF ENDS BELMONT BOMBERS FLY TO WIN

Two big comeback wins for Bob Smilanich and his Belmont Credit Union Bombers over Bernie Poulin's Sturgeon Meat Merchants was enough to give the Bomber crew the SAMBA Mosquito "B" league playoff championship when it was all "said and done" last Wednesday.

Monday's win for the Meat Merchants has already been reported, but we were unable to tell you about the happenings on Tuesday and the following day. The Bombers came to life on fine pitching by Bobby Smilanich and Robbie Lacoursiere to win 20 - 13 in the Tuesday tangle but were hard pressed to win the Wednesday wind-up 13 - 12. As we may have said before, it was a tremendous season for Mosquitos - SAMBA variety, that is ...

### FROM THE BENCH ...

SAMBA's Mosquito coach had MUCH to say about the baseball facilities available in the small community of Stettler where the three-tier tourney "happened" over the past weekend. Bert indicated he would be most happy to return to Stettler - 120 miles from St. Albert - anytime - just to give his players the opportunity to play baseball on flat ground.

Bert said he took a walking tour of the diamonds in Stettler and was absolutely amazed at the fantastic layouts the town of Stettler has provided their baseball playing youngsters. In a nutshell, Bert said, "St. Albert's Mission Park diamond isn't half as good as the WORST four diamonds in Stettler and if something isn't done soon (here at home) St. Albert will be the laughing stock when it comes to the playing fields for the Alberta Summer Games in 1979."

Although we have never seen Stettler's facilities, we've seen enough of Camrose, Provost and other "hot baseball" communities to echo Bert's thoughts. Now is the time to DO something about it ...

It's a shame that more coaches didn't accept Prexy Lorne Ross' invitation to attend the "beer and bun" outing at the Lacombe Park meeting rooms. Not only were there plenty of suds and buns, but the baseball talk was plentiful and interesting. Gosh, even the umpiring brigade was represented .. and truly nice guys, they are ..

Next weekend, SAMBA will attend the famous CAMROSE baseball tournament in four divisions - Mosquito, Beaver, Bantam and Midget. This should be even more fun than the last. Yes, "Diamonds are a boys best friend" - especially when they are a source of pride and joy to a community - eh, SAMBA?

*GIMME A PIGGYBACK RIDE*

*. . . Last Wednesday's Black Gold versus Seattle Sounder game saw the Gold turned to tin. The locals went down to defeat 7-0. Their record now stands at two wins, three losses, and one tie. Golds' next home game is this Sunday at 7:30 p.m. against the Polish Nationals, again at Clarke Stadium.*

# Mustangs new Hercules Mite city champs

In Hercules Mite soccer final action last week, the third place (West) Mustangs fought a sudden death battle with the second place (East) Spartak. The Mustangs emerged the winners in the tense contest, making them the 1978 Hercules Mite city champions.

The Forest Park soccer pitch set the scene for the Wednesday game, which opened with a quick corner-kick goal by Jeff Birdsell. Trent Maruyama scored a second goal before half time, with Dean Degner assisting. The Spartak came on strong in the second half with Jamie Bauer scoring a goal. However, the Mustangs held on to their 2 - 1 lead to win the Hercules Mite League Trophy '78. The Mustangs were coached by Wes Bokenfohr and John Jones, with Paul Fekete and Stan Horbachewsky handling the coaching chores for the Spartak.

**SECOND DIVISION**
**Arrows 3, Celtics 1**

In other action Wednesday night the sixth place (West) Arrows emerged with a 3 - 1 victory over the fifth place (East) Celtics. Kyle Porter scored two of the Arrows goals, with Darren Dutton bringing in the other. Celtic goal was scored by Allen Mattice. Both teams put forth a strong effort in the game.

The winning Arrows were coached by Bob Holzer and Bill Dutton, while Jerry McKenna took the coaching duties for the Celtics.

Compliments are extended to referees Malcolm Holt and Ed McKinley for a superb job of refereeing.

**MITE WEST DIVISION 2**

In the soccer final played June 26, the Arrows emerged with a 4 - 3 win over the Colts.

*MITE CHAMPS*

*. . . The Mustangs, Hercules Mite City Champs '78, give victory grins after their win over the Spartak Wednesday night. From left to right back row are: Assistant Coaches John Jones, Claudette Bokenfohr and Coach Wes Bokenfohr. Middle row, Jim McDonald, Doug Manegre, Marty McNamara, Kevin Bokenfohr, Allen Findlay. Front row: Guy Sopiwnyk, Curtis Jones, Jeff Birdsell, Maureen Smith, Clarke Tymens, Trent Maruyama, Dean Degner and Shawn Zurowski.*

# Saints clobber Camrose Cubs

St. Albert Saints senior baseball club scored seven runs in the first inning last night and coasted to an easy 14 - 4 win over the visiting Camrose Cubs.

Saints jumped on the Cubs pitching for 16 hits including four home runs, two of which were by Len Bonaficio and singles by Warren Sarchuk and Jeff Craig.

Lyle Langier went all the way on the mound for St. Albert allowing eight hits including home runs by M. Swanson and Bill Anresasson.

Saints are now 6 and 1 in Sunburst league play and are in first place. Their big test will be Thursday night when the defending Western Canada champion Edmonton Cardinals will be in town to play St. Albert on Mission diamond.

The next four games for the Saints will all be at home on the 11th, 13th, 18th and 20th.

Saints had an excellent tournament in Two Hills last weekend as they won first place money of $1,200 with a 7 - 6 win over Westlock Red Lions in the final game. Saints also knocked off the Edmonton Steelers 4 - 1 in the opener and then defeated the hometown Eagles 8 - 1 in the semi-final.

Jeff Craig of the Saints was named the most valuable player of the tournament.

*FLYING HIGH*

*. . . Charles Belcourt (14) of 61 Garden Crescent, didn't stay airborne long after diving off the high board at Grosvenor Pool Monday. With temperatures soaring during the long weekend, swimming was about the only way to stay cool.*

# Evaniew & Riddell shine on mound in Zones

The St. Albert "BACM" Panthers girls softball team captured the North Zone Bantam "A" championship this past weekend. The team now advances to the provincial championship in Ardrosson on July 15 and 16. Outstanding performances were given by both St. Albert pitchers Shelly Evaniew and Andrea Riddell.

The tournament was held in St. Albert at the Meadowview diamonds. In the first game St. Albert met Spruce Grove. It was a close game with the Panthers winning 6 - 0. Shelly Evaniew pitched for St. Albert allowing only two hits while striking out 14. Andrea Riddell hit a home run for St. Albert.

Spruce Grove took a second loss at the hands of the Calahoo Flames. Janet Mitchell pitched for Calahoo and was also one of the top hitters.

It was now St. Albert vs Calahoo in a best two out of three match. St. Albert came out on top in the first game 28 - 7. Andrea Riddell pitched the entire game for St. Albert striking out 12 and only walking one.

Shelly Evaniew hit a home run for St. Albert and Wendy Kowalchuk, Mona Welch, Cathy Lavoy and Judy Tworek hit triples.

Mary Kolesar pitched for the Flames striking out six. Ave Victor hit a home run for Calahoo.

In the final game St. Albert beat Calahoo 28 - 6. Shelly Evaniew and Andrea Riddell both pitched for St. Albert and Mary Kolesar and Janet Mitchell pitched for Calahoo.

Amber Larson and Janet Mitchell had home runs for the Flames and Andrea Riddell had a home run for the Panthers.

Members of the winning team are Sherry Norum, Jody Gabourie, Trish McNamara, Lorna and Sandra Cockwill, Renee and Wendy Kowalchuk, Mary Kay Messier, Shelly Evaniew, Andrea Riddell, Mona Welch, Cathy Lavoy, Judy Tworek and Claudette Laroque. The Panthers are coached by Pat and Bob Kaye and Earl Wesa. The coaches would like to thank the city for the work that was done on the diamonds and Don Lavoy and Mike Rosseker for officiating at the tournament.

*- Bunting Panther -*

*The BACM Panthers captured the North Zone Girls Provincial 'A' championship in a tournament at Meadowview diamonds on the weekend.*

## Oilers remain in W.H.A.

The off-again on-again romance between the National Hockey League and the World Hockey Association has once again ended in divorce with the announcement Tuesday that there will be no merger between the two leagues this season.

Edmonton Oilers, Winnipeg Jets, New England Whalers and the Quebec Nordiques were hoping to become members of the NHL but according to NHL Chief John Ziegler "time just ran out in the meetings."

Oilers will play in the WHA again this coming season along with the Jets, Whalers, Nordiques, Cincinatti, Indianapolis Racers and possibly the Houston Aeros.

In other WHA news the Oilers lost the bidding of stary forward Wayne Babych.$

In other WHA news the Oilers came out second best in the bidding war for the services of Portland Winter Hawks superstar Wayne Babych to the St. Louis Blues of the NHL. Babych recently signed a reported salary of $750,000 to play for the Blues and is expected to get a good shot at a right wing position on the NHL team.

# Teachers tennis

The St. Albert teachers concluded their league last week. The team of (1) Dale Rurka, (2) Fred Resler and (3) Lori Garrity ended up in top spot after six weeks of competition.

The league has 12 players from several schools in St. Albert - VJ Maloney, Lorne Akins, Paul Kane, Albert Lacombe, Leo Nickerson and Bertha Kennedy.

In other teachers tennis competition the pair of Joe Laplante and Judy Wood from Bertha Kennedy successfully defended the teachers tennis trophy they won last September. They ended up first among the seven pairs from the above mentioned schools.

# Calahoo Peewees advance to provincial final

The Calahoo peewee girls fastball team advanced to the Alberta provincial finals last weekend when they swept through the zone finals in Falun without a loss in three games played.

The girls will now travel to Red Deer July 15 and 16 to compete in the provincial "B" final. Last season the team reached the 'A' finals in Calgary but lost the final game.

The one-two punch of pitcher Shelley Berube and catcher Marnie Horn proved too much for the opposition. Berube struck out 46 batters in three games while the one that did reach base was picked off at second by the strong-throwing Horn.

Coach Emile Berube and assistant Wilf Berube had the girls well groomed on the base paths. They stole 52 bases and were thrown out only twice.

Calahoo opened the tournament Saturday morning with a 9-1 win over Wetaskiwin Toyotas. Shelley Berube struck out 16 and allowed only one hit. Marnie Horn led Calahoo at the plate with two hits.

In the second game, played Saturday afternoon, the Calahoo squad shut out the hometown Falun team 15 - 0. Berube picked up 15 strike outs. Roxanne Berube led the way at the plate with three hits.

The final game of the tournament was played Sunday afternoon with Calahoo beating Wetaskiwin 21 - 7. Calahoo led 10 - 0 after two innings of play and except for a minor let down in the last inning, when Wetaskiwin scored four runs, it was no contest. Marnie Horn and Roxanne Berube had three hits each for Calahoo while Shelley Berube had 15 strike outs and allowed only three hits.

## Peewee Champs

*Calahoo peewee girls fastball team captured the Northern Alberta Zone finals in "B" playoffs in Falun last weekend with a perfect record of three wins and no losses. Calahoo will now travel to Red Deer July 15 to take part in the provincial final. Members of the winning team are from left to right, top row: Coach Emile Berube, Shelley Berube, Colleen Bohning, Marnie Horn, Holly Lunger, Brenda Watson, Roxanne Berube and Coach Wilf Berube. Bottom row, from left to right: Terry Berube, Orla Noonan, Sandy Macdonald, Oonagh Noonan, Sheryl Pelletier, Fiona Noonan and Loretta Watson*

# Palmer playing in CPGA championship

The Canadian Professional Golfers Association and officials of Labatt's International Golf Classic announced recently that Arnold Palmer, one of the greatest players in the history of the game, has accepted an invitation to play in the C.P.G.A. championship at Vancouver Shaughnessy Golf and Country Club, August 15 - 20, 1978.

Palmer heads an imposing list of invitees and world P.G.A. champions who have already accepted invitations to the $100,000 event; under a revised format which will celebrate Labatt's 150th anniversary and their 12th consecutive year as a sponsor of the National Championship.

"Palmer will be a tremendous addition to the field at Vancouver," said David Zink, executive director of the C.P.G.A. "He lends something to any tournament in which he plays and almost ensures a successful gate for this event."

Tournament officials have already announced acceptance from five national champions to appear at Shaughnessy in what they hope will become a major fixture in international golf.

Canada's George Knudson will defend the title he has won the past two years and this time he will have major challenges from international tour stars.

Top of the list was Argentine veteran, Roberto De Vincenze, 10 time winner of the Argentine Open and Perennial Champion in his country. He won the British Open at Hoylake in 1967 and almost every other European open title at one time or another.

Other P.G.A. champions are, Patrick Cotton of the Club France near Paris, who holds the French championship; John Bland of South Africa and Simon Owen of New Zealand.

Zink was excited over the acceptance of Palmer, one of the greatest players in international golf, with a record of 61 victories on the U.S. tour, and an additional 18 foreign titles including the 1961 and 1962 British Opens and the 1955 Canadian Open.

Winner of the Masters three times and the U.S. Open once, he has never been able to capture his own country's P.G.A. championship.

*Steven Ball (9) of the Pellets had everyone waiting with anticipation with this looping shot just over the crossbar. Pellets won the game over the Arrows 7 - 2.*

## Bantam Soccer

# Pellets finish on top

The Pellets finished the spring round of play in the Hercules Bantam Soccer House League without a defeat.

In games last week they drew 4 - 4 with the Bombers Tuesday and then, in their final game walloped the Arrows 7 - 2 on Thursday.

The second place Bombers finished their spring season on a strong note also. After playing to a tie with the Pellets Tuesday they came out on the fly Thursday and shellacked the last place Bullets 9 - 0. The Bullets won earlier in the week when they tripled the third place Rockets 6 - 2.

Two other teams split their games last week. The Cannons took the Arrows 3 - 1 Tuesday before losing to the Rockets 2 - 1 Thursday. Rockets lost their other contest 6 - 2 to the Bullets. The fifth place Arrows blew any chance of moving up on the standings by losing both their games - 3-1 to the Cannons and 7-2 to the Pellets.

Bombers player Stephan O'Hara scored eight goals last week to top all players in that department. He also picked up a pair of assists to finish third among point-getters behind Stephen Livingston and Steven Ball of the Pellets. For his efforts he receives player-of-the-week honours.

Hercules Bantam House League action will resume for the fall season around the middle of August. In the interim St. Albert's bantam representative teams in 'A' and 'B' provincials will be practising and playing exhibition matches in preparation for the Alberta provincial tournaments in the fall.

# St. Albert players outstanding in Saskatoon tourney

Pitchers Tim Shipanoff and Larry Schuchard of St. Albert were among players selected as "the most outstanding" at the Cub-Optimist Midget baseball tournament recently completed this past weekend in Saskatoon, Saskatchewan.

The two hard-hitting moundmen were added to the Spruce Grove Legionaire Midget roster, especially for the popular Saskatoon Midget get-together billed as "The Best in the West," on the advice of their coaches Ben Tooth and Art Rechlo. Byron Bailey and Doug Rechlo were also chosen but were unable to make the trip.

Shipanoff and Schuchard, along with Brian Beuerlein, Lynn Perlette, and Grant Fuhr received recognition for stellar play in the four contests Spruce Grove played.

Beuerlein and Perlette gained honors in the first game of the tourney as the Legionaires were downed by Delisle, Sask. 16 - 9. Although dropped 10 - 2 by Souris, Manitoba - 1977 provincial finalist - Saturday morning, Beuerlein and Perlette were again chosen - along with Schuchard as the "best performers." This was a game that saw Souris jump out to a 9 - 0 lead in the first inning, but saw their big bats silenced by Schuchard for one run and a scratch hit for the remainder of the contest.

In a Sunday morning affair, Spruce Grove were pitted against Barrhead and came away with a hard fought 9 - 7 victory, mostly on the strength of Beuerlein's six-hit chucking job. Fuhr received the "outstanding award" for an empty-base home run to centrefield in this skirmish.

The consolation finals, played under a warm Saskatchewan sun, saw Delisle, Sask. in a rematch with Peter Salisny's SG Legion team. Tim Shipanoff started and finished the game allowing 12 singles in a 14 - 3 loss. A trio of Delisle flingers saw action giving up a sparce total of three hits (by Beuerlein, Shipanoff and Schuchard).

The Saskatchewan winners received bronze medals, trophy and $50 cash to help defray team expenses. The Imperial 400 Championship Event was claimed by the Saskatoon Host Cubs in three straight games. For their efforts they received gold medals, a trophy and $150.00

The Saskatoon Red Sox were awarded silver medals, along with a trophy and $100 for taking the Reich-Hoffman event.

Other entries in the three-day meet came from Moose Jaw, Sask., Medicine Hat, Alta., and the Barrhead County Kings, 1978 Norwest League Champs and Provincial Reps.

Barrhead, not playing up to their usual best, lost all three of their matches. Saskatoon's Red Sox beat them 6 - 0 in their first tiff. Besides losing to Spruce Grove, they were victimized by Medicine Hat 7 - 5 in a hotly disputed tangle. Coach Lou Rondeau and General Manager Leo Schultz of Barrhead cleared the bench of players who had not seen action in the Spruce Grove fray. Rondeau substituted sparingly in the games' latter stages. Harold Tomalty took the loss for the Norwest League Champs.

## Amateur football grants

The Alberta Amateur Football Association has awarded eight grants totalling $4,850 to deserving minor football projects in Alberta. The grants are part of the Association's Minor Development Fund which is used annually to help new or existing programs with financing. This years grants are as follows:

Bowden High School - $450 - equipment; Camille LeRouge School (Red Deer) - $550 - equipment; Crescent Heights Jr. Varsity (Medicine Hat) - $450 - equipment; Fort Saskatchewan Minor Football Association - $840 - equipment; Red Deer Minor Football Association - $1200 - Start-up costs; Rockyview High School Football League - $650 - equipment; Senator Riley High School (High River) - $250 - equipment; Stettler Wildcats - $450 - equipment.

Officers of the Association, recently elected at a meeting in Edmonton are: President - Larry Wilson, Stettler; 1st Vice President - Gerry Watson, Calgary; 2nd Vice President - Dennis O'Donnell, Sherwood Park; Sec. Treas. - Dennis Duggan, Edmonton; Past President - Don Henderson, Edmonton.

## All -Indian lacrosse demonstration scheduled for Commonwealth Games

Forty top-calibre lacrosse players from Caughnawaga, Six Nations and St. Regis Reserves will form teams in an all-Indian lacrosse game at the 1978 Commonwealth Games this summer in Edmonton. The announcement was made jointly by the Honourable Iona Campagnolo, Minister of State, Fitness and Amateur Sport, and Noel V. Starblanket, President of the National Indian Brotherhood.

The all-star game will be played August 11 in the Edmonton Coliseum and will be watched by several million people around the world on television.

## Proud Winner

*David Philips was the proud winner of the boys 10 speed bike for raising $109 dollars for the Kinsmen Club. Presenting the bike to him is Randy Fulton, outgoing president of the Kinsmen Club of Morinville.*

## M.D. meets with Evergreen residents

At their June 29 meeting the MD Council heard representation from the roughly 2,000 people living in Evergreen Trailer Park and a decision was reached that the MD would send a letter to the City of Edmonton requesting that city water be supplied to the park. At the same time the MD has written a letter to the Provincial Government asking for their assistance in ensuring a safe and adequate water supply for Evergreen residents.

For a short time when difficulties were being experienced by the owner, Mr. Joe Sheckter, with less than honest water haulers, the park was supplied from a city of Edmonton water hydrant. This was stopped by the city, which has a policy of not extending water service to any area not annexed to Edmonton. The MD has previously tried to get Edmonton water for individuals and business firms in the same circumstances, but without success. However it was felt that 2,000 people in one trailer park deserved special consideration.

The water would of course be paid for by the users and Edmonton has a surplus supply of treated water. Edmonton is the only municipality in the greater Edmonton region which "manufactures" treated water.

If a satisfactory agreement cannot be reached between the MD and the city of Edmonton the Department of Environment and the Provincial Government will be asked to intervene on behalf of the residents.

Meanwhile Mr. Sheckter has hired a new water hauler and the MD office reports that there have been no recent complaints on the Park being left without water, the situation which prompted a large public meeting and subsequent petition from Evergreen residents, together with their appearance before MD council.

### *Wagons Ho !*

*Five wagons accompanied by 13 outriders left this week for a 400 mile journey sponsored by Teen Time. Wagonmaster, Wally Sczebel, left Legal with 23 youths on a five leg trek. Each group will go seven days before being replaced by another enthusiastic group. The wagon train should return to Legal about mid–August.*

## *Highway widening*

MLA Ernie Jamison told the Gazette Tuesday that the Provincial Government has awarded a contract for asphaltic concrete overlay and other work, including intersection widening to allow for turning traffic on 10.5 miles of Highway 2 north from St. Albert.

Everall Construction (Edmonton) Ltd. won the contract over eight bids with a price of $683,892.46 and completion is scheduled for September 15, 1978.

The next three lowest bids were from Poole Engineering ($715,887.46), Peter Liewit Sons Co. Ltd. Edmonton ($751,801.20) and Conmac Western Industries, a division of Confarge Ltd. Calgary ($740,923.80).

## Anne Kryskow named Citizen of the Year in Morinville

A high-powered woman who works hard, plays hard and more often than not is using her enormous energy on some community project or service, was a popular choice for Morinville's "Citizen of the Year" for 1978.

Anne Kryskow has made her home in Morinville for 16 years and through all that time has been actively involved in the life of the town she has grown to love.

She has been a trustee and board chairman on the Thibeault School Board, and was one of the founding members of the Frontier Daze committee which established Morinville's summer festival, an event that annually draws thousands of visitors to the growing community 10 miles north of St. Albert. One of Anne's projects for the fair was the International Foods concession which she helped set up and is still mainly responsible for.

Over 14 years Mrs. Kryskow has worked on the St. Jean Baptiste Church Council, taking a keen interest in the work of establishing the church and convent as an Historic Site in Alberta. She has also been a persistent promoter and worker for a Senior Citizens Lodge in Morinville.

She has always had a strong interest in both arena and curling rink activities and is still involved in both these areas.

At present Anne is manager of the Recreation Centre, secretary-treasurer of the Morinville Board of Trade, treasurer of the Morinville Historical Society and a member of the Ladies Auxiliary to the Royal Canadian Legion.

In addition to her community involvement Mrs. Kryskow has been active as a business woman, wife and mother. She and her husband Ed built the Morinville Trailer Park in 1969, a business which they still own and operate. They have raised a family of three sons and three daughters, getting involved in the projects and interests of their children as well.

There is rarely an event in town which Mrs. Kryskow is too busy to help with. She may be found serving at a curling banquet, working at a community breakfast or attending a club meeting. If you catch Anne at home there will be a cup of coffee and a cheery welcome.

If this sounds all sweetness and light, forget it! Anne is a most forthright and direct person, given to speaking her mind freely whether she expects opposition or not. But win or lose a battle, she can be depended upon to do her share when help is needed.

At the bottom she is a bit of a softie and no doubt the Citizen of the Year trophy will be cherished in her home, as it was in 1974 when her husband Ed was the winner, and Anne was as proud as punch.

Please Turn to Page 30

### *OH NO - WHAT DO I DO NOW?*

*. . . In a typical gesture, Anne Kryskow claps her hand to the side of her face as she steps to the microphone after receiving Morinville's Citizen of the Year trophy for 1978 at the Frontier Daze wind-up program on June 25. Typically, Anne is still in her working clothes. She was a founding member of the Frontier Daze committee which staged its first summer celebration in 1969.*

## Letter to the Editor

## Farmers' Market

At this time I wish to thank all interested persons for the inquiries regarding the Farmers' Market Garden. Tentatively, we hope to have our first market opening Thursday, July 20, 1978 from 5 p.m. to 10 p.m. We are also contemplating a meeting with the procedures contemplating a meeting with the producers interested on Thursday, July 13, 1978 to acquaint them with our large drive-in and stall location area. There will also be a speaker present to address the assembly regarding all aspects of the Farmers' Market Garden and Marketing.

Hopefully everyone's interest will increase, including the consumer, to make this venture enterprising and successful.

Walter Enright
Recreation Facilities Manager

## MD sets mill rate at 120 mills

At a special meeting held last Tuesday, The Municipal District of Sturgeon set the mill rate for 1978 at 120 mills. Occupied residential and farmland is set at 89 mills. Despite large increases in assessment for this year, the education portion of the budget increased by 6.75 mills. The municipal mill rate was decreased one mill from last year in an attempt to hold down costs.

Following is a breakdown of the mill rates for the various school and hospital districts within the Municipal District of Sturgeon.

# Sturgeon Regional Recreation News

**Submitted by the Regional Rec. Council**

**SUMMER PLAYGROUNDS**

Sturgeon Regional Recreation, in conjunction with the local communities, will be sponsoring a playground program for children ages 6 - 12 years. Playgrounds will be operating in the following areas:

Bon Accord - at the Community Centre;

Gibbons - at the school;

Legal - at the Recreation Centre;

Morinville - at the Frontier Daze Grounds;

Evergreen Mobile Home Park - Recreation Centre.

These playgrounds will be open from 10 a.m. to 12 noon and from 1 - 4 p.m., Monday thru Friday, beginning July 6 and closing on August 25. All playgrounds will be closed on July 19, August 2 and August 16, so that leaders may attend training sessions.

Activities offered on the playground will be similar to those of past years. At present we plan to offer a number of activities such as crafts, games, puppetry, music, drama and special events.

*Pain . . . ting*

*The department of highways have been repainting the curve and exit markers on Highway 2, north of Morinville. Should make night driving a little more safe.*

**PRE-SCHOOL NATURE AWARENESS**

A nature awareness program for children, will be offered in July. Each session will be a half day in length. The dates are: July 14 at Sandy Lake, July 21 at Cardiff Park and July 28 at Nywening Estates (located near Bon Accord). Parents are encouraged to accompany their children. For further information, phone 939-4317.

**FAMILY CRAFT AND RECREATION CAMP**

The County of Leduc will be sponsoring a Family Craft and Recreation Camp, July 24 - 28 at Zeiner Park. The camp allows the entire family to become involved in various nature oriented crafts and recreation activities. Some of the activities that will be offered include: Primitive Pottery, Willow Basketry, Primitive Weaving, Leathercrafts, Batik, Whittling, Fly Tying, Canoeing, Macrame, Nature Identification, Landscape Oil Painting, Map and Compass Orienteering, Day Camps for children ages 6 - 12 and a supervised playground program for children ages 4 - 5. For further information please contact the County of Leduc Recreation Department at 986-2251. The deadline for registrations is July 21.

**DAY CAMPS**

The deadline for registering in Sturgeon Regional Recreation Day Camps is fast approaching, July 6. The dates of the camps are:

July 10, 11 and 12 at Sandy Lake; July 17, 18 and 19 at Cardiff Park; July 24, 25 and 26 at Nywening Estates Park Reserve, which is midway between Bon Accord and Gibbons.

Camp fees are $8 per child. For more information, phone Leslie at 939-4317.

**SUMMER CAMPS**

Three summer camps are offered this summer through Sturgeon Regional Recreation for children aged 8 - 12. The dates are August 7 - 11, August 14 - 18, and August 21 - 28. Camp fees are $25 per child or $20 per child in families registering three or more children. Registration is on a first come, first serve basis. For additional information, call Leslie at 939-4317.

**CANOE CLINIC**

For those interested in canoeing, especially those of you who have constructed canoes over the past winters, Sturgeon Regional Recreation is sponsoring a Canoeing Clinic to be held on Sunday, July 16, 1978, beginning at 10 a.m. The clinic to be held at Heritage Lake at Morinville, will give the participant an opportunity to learn-practise many of the skills involved in canoeing. To register for the clinic, phone 939-4317. No charge.

**ADULT CANOE TRIP**

Sturgeon Regional Recreation's first adult canoe trip will go on the upcoming weekend. The route to be canoed is the Pembina River from Flatbush into the Athabasca River to Chisholm Mills. If interested, there is still time to register. For further information, call Leslie at 939-4317.

# Former Westlock man named to PFRA

A major shuffle of officers in the Prairie Farm Rehabilitation (PFRA) management team has resulted in the appointment of a former Westlock resident to the agency.

Mr. Grant Wagner has been appointed chief of administration and program services. He has recently returned from a two-year stint with the Canadian International Development Agency (CIDA) and has resumed his administrative duties.

Born and raised in Westlock, Mr. Wagner holds degrees in agriculture from the University of Alberta and in public administration from the University of Southern California. Initially employed by Canada Agriculture in Ottawa he has also served in Northern Canada with the department of Northern Affairs and with CIDA as project administrator in Lesotho.

Other members of the new PFRA m team are Dr. R. W. Lodge, Dr. H. M. Hill, Jim Berry, A. S. Ringheim and G. S. Brown.

## *Anne Kryskow*

Continued From Page 29

Selection of a Citizen of the Year in Morinville began in 1968, when Father Georges Primeau received the honour. He was followed by Art Stapleton in 1969, Pete Gibeault, 1970; Raymond McDonald, 1971; A. J. Craig, 1972; Flo McGinnis, 1973; Ed Kryskow, 1974; Ross Quinn, 1975; Norman Chalifoux, 1976; Paul Ellis, 1977 and Anne Kryskow, 1978.

# Polaris dealership coming to Legal

A new addition is on the horizon for Legal's business community. Thomas Anderson, retired from the Canadian Armed Forces, is combining the talents of himself and his sons James and Alex to create Anderson and Sons, Polaris Snow Machine Sales and Service. The new business will sell and service all models of the Polaris Machines.

The Andersons are taking no chances in their new enterprise. Son Alex is being sent to the Polaris factory for the factory training program, thus assuring the company's customers of qualified servicing of their machines. All parts will be carried in their fully equipped parts department. In addition to their work for Polaris, Anderson and Sons will do all types of small engine repair, including lawn mowers, roto tillers, outboard motors and others.

The business will be located on the highway in Legal and will open in mid-July. Customers can pick up information on the Polaris products at the grand opening. Watch the Gazette for more information about the opening.

## Legal Locals

Mr. and Mrs. Jean Marie Tieulier are pleased to announce the engagement of their daughter Claude and Helen Chauvin, son of Mr. and Mrs. Chauvin of Girouxville. The wedding will take place on October 21 in Legal.

# Morinville Memos

By Margaret Yacyshen

The summer playground program, sponsored by Sturgeon Regional Recreation begins on July 6 and continues until August 25. It will be held Monday - Friday from 10 a.m. - 12 noon and 1 p.m. - 4:30 p.m. for children 6 - 12 years old. The location is the kitchen building on the Frontier Daze grounds. The program includes arts, crafts, drama, music, group games and special events.

Children do not have to be registered to attend and there is no fee. Five year olds may come if accompanied by an older brother or sister.

The Morinville Centennial Library will be closed on Saturdays from July 1 to September 2 inclusive. Other library hours remain the same.

**DEPT. OF AGRICULTURE WORKSHOPS**

Two workshops will be offered on Tuesday, July 18 in the kitchen of the Morinville Historical and Cultural Centre (Convent). The first is entitled Food Preservation and will deal with freezing, canning and preparation of jams. It will be held from 9 a.m. - 12 noon. The second workshop, curing and smoking of meats, will run from 1 p.m. - 4 p.m.

The registration fee for either course is $2 and must be paid in advance to the Department of Agriculture office in the M.D. of Sturgeon Building. For further information the district home economist may be contacted at 939-4351.

Each class will be limited to 20 people.

**BEST DECORATED BICYCLES**

Two young people had been selected by the Frontier Daze parade judges as having the best decorated bicycles. Their names were unannounced earlier because their identities were unknown. The two winners were: Sherry Wright - first place for her Commonwealth Games theme and David Underwood - second place with his Star Wars theme.

**HIT, RUN & THROW**

The Sturgeon Regional and Sturgeon Minor Baseball Association sponsored the first - ever Hit, Run and Throw competition during Frontier Daze. The event was held between the semi-finals and the finals of the senior baseball tournament.

The champions in the various categories were as follows: Mosquitos: Hitting - Marty Comeau of Riviere Qui Barre, Throwing - Marty Comeau; and Running - Darren Locker of Morinville; Beavers: Hitting - Colin Spencer of Bon Accord; Throwing - Marshall Lalonde of Morinville and Running - Tim Quinn of Morinville; Bantams - Hitting, Throwing and Running - all won by Paul Schafers of Riviere Qui Barre.

**KNIGHTS OF COLUMBUS**

The Knights of Columbus Council #5010 has elected a new slate of officers for the 1978-79 term. The new executive members are as follows: Grand Knight - Paul Froment; Deputy Grand Knight - Joseph Leduc; Chancellor - John Saunders; Recorder - Allan Bentz; Treasurer - Ubald Chevalier; Advocate - Ralph Gaetz; Warden - Emile Morin; Trustees - Matt Hittinger, Francis Milande and Cam Dubord.

Get well wishes are extended to George Caldwell, president of Frontier Daze, who is in the Sturgeon General Hospital. Hope to see you back home soon, George!

Anyone with news items is asked to contact Margaret Yacyshen at 939-3047, Mail Box 100, Morinville, or stop in at 9715 - 99A Avenue.

# Kinsmen wind up year

By Margaret Yacyshen

On Tuesday, June 27 the Kinsmen Club of Morinville held its wind-up meeting and installation night of new officers. Also on the agenda were several presentations of awards and prizes.

The following trophies were presented to members of the Pedal Pushers Club: Group 1 (5-6 years), Most Improved Riders - Chris Curtis and Caroline St. Aubent, Master Riders - Steven Tieland and Robin Kane; Group 2 (7 - 10 years): Most Improved Riders - Darren Tolle and Susan Kubica, Master Riders - Celine Cassavant and Richard Lavoie.

Bicycles were presented to the boy and girl who each collected the most pledge money in the bike-a-thon held on June 3. The winning girl was Loree Platt who collected $123.93 and the winning boy was David Phillips with $109.00. Runners up each received a wrist watch. They were Tim Quinn with $83 and Shannon Donnelly with $55. In connection with the bike-a-thon, a cheque was also presented to both the Morinville Beaver Baseball Club and the Morinville Brownies. This represented a 30% rebate of the gross money raised by the above clubs, who had five or more riders participating.

Another special award was a certificate of appreciation to Bob Arnold for all his help in promoting Kinsmen activities throughout the year.

The new executive who were installed for the 1978-79 term are as follows: President, Glenn Christianson, Secretary - Nick Van Soest; Treasurer - Andy Ferguson; Registrar - Bill Santrock; Bulletin Editor - Tony Van Brabant; Directors - Len Lavoie, Trevor Kaidannek and Armand Montpetit, and Past President - Randy Fulton.

The Kinsmen Rookie of the Year award went to Bill Santrock, the Kinsman of the Year Award to Brian Atkinson and the Kin-Wife of the Year Award to Linda Fulton.

On behalf of Zone 2, the Zone Co-ordinator, Ray Capowski, presented the Deputy Governor's Bannerette to the Morinville Legion. This banner represents the fact that Chris Parker, who is the deputy governor for Zone 2 for 1978-79 is a member of the Morinville Kinsmen Club.

# Morinville Library News

Early in May, the Alberta Library Association and the Alberta Library Trustees Association held a joint annual conference at Jasper. Some 300 delegates attended the five day event. Librarians at small libraries from all over the province, professionals from the big libraries, university and college librarians, trustees and politicians all gathered to discuss what's new in libraries and new services in the future. All very exciting stuff.

Libraries are a lifelong learning and recreational centre. If you want information on any matter ask your librarian, she has a Zenith number she can telephone where nearly all questions can be answered. Soon computers with terminals anywhere in Canada will be in operation. Also, through the inter-library loan system patrons have access to a huge book collection. Alberta now belongs to the Pacific North-West Association which includes British Columbia, Washington State, Montana, Idaho, Oregon and Alaska, so the field from which books may be obtained is wide. Books can also be obtained in 23 other languages besides the two official languages of French and English. Then there are the services to the handicapped which includes large print books, talking books, and mobile book service to those confined to their homes. All one has to do is to ask at your local library to make use of any or all of these services where every effort will be made to fill your requests. Morinville Library hopes to put several programs into operation next fall, including more story hours for the preschooler. What would be greatly appreciated would be some volunteer help. Get interested, get involved - we will do what we can with what we have.

# *Our mistake*

The Gazette would like to apologize to the members, past and present of the Morinville Frontier Daze Committee for inadvertantly giving credit to the Town of Morinville, rather than themselves, for presenting a recliner to Father Primeau.

The presentation was made in recognition of Father Primeau's many years of service with the committee.

# Mosquitos 'sting' RQB by one

Morinville Legion Mosquitos won the Sturgeon Baseball Championship on Wednesday, June 28, against Riviere Qui Barre in a best of three game series.

Riviere Qui Barre won the opener 9 - 5 behind a hard pitching Marty Comeau.

Morinville won the second game, at home, a squeaker 16 - 15 in the last inning due to a single by Jay Enright in the final inning.

The stage was set for the final game in RQB and Morinville finally put it all together with the great relief pitching of Darren Locher and home runs by Serge Froment, Alan Pike, a grand slam by Jay Enright and a game saving catch in the final innings by Shane Milner. Morinville won the final game and the championship.

In appreciation we would like to thank the many parents who gave their support and time in order to ensure that these players were transported to and from the games, and to the coaches and players of the teams in this league who took the time and effort so that these many youngsters could enjoy the game of baseball.

A special thanks to the umpires who called our games. A job well done.

# Namao News

By Norma Crozier

Namao School held their Awards Day program and Grade 9 graduation tea on June 28, 1978 in the school gymnasium. Master of ceremonies for the afternoon was Mr. G. Boddez, secretary treasurer Sturgeon School Division #24.

Book awards were presented by Mr. A. Letts, principal and Mr. J. Ward, school trustee to: Grade 1A - Troy St. Pierre; Grade 1B - Kevin Zuidema; Grade 1 - Jennifer Munro; Grade 2-3 - Sandi Frank; Grade 3 - Michele Patsula; Grade 4 - Corrine Berg; Grade 4-5 - Drake Poels; Grade 5 & 6 - Terry Brown; Grade 7 - Murray Sielski; O.R. (a) - Kevin Besuyen; O.R. (b) - Karla Martinoski; O.R. (c) - Glen Kitzul; Grade 7 - Rachel Loiselle; Grade 7 & 8 - Lisa Nelsen; Grade 8 & 9 - Craig Kindleman; Grade 10 - Jennifer Clarke; I.P. 1 - Delilah Wingfield; I.P. 11 - Wayne Callihoo; I.P. 111 - David Repko; I.P. 1V - John Daney. At the kindergarten level, all students share.

Next on the program, awards were presented for extra curricular sports, flag football, volleyball and basketball and to the cheerleaders.

The McMillan Cup Award was given by Miss Wiese to Greg Gibson. Mr. Letts assisted by Sandy Walker, introduced the Grade 9 students and presented them with pins. Academic award winner for Grade 9 was Nancy McKenzie, presented to her by Mr. J. Ward.

Mr. Taylor addressed the Grade 9 graduates following which Mr. Boddez invited everyone to the graduation tea.

Namao School students participated in the Fifth Edmonton Klondike Relays held at the Kinsmen Field House recently. Namao placed sixth out of 27 participating schools involving more than 1500 students in grades 4, 5 and 6. Namao standings were: Girls long jump placed 3rd and 10th; Girls 4 x 200, sixth; Girls shot put - sixth; Boys long jump - fifth; Boys shot put - 1st and seventh. First was a Klondike Relays Record of 27.45 meters scored by Dan Ricard Terry Brown and Raymond Armstrong.

Namao School coaches Carl McColl and Evan Miller were proud of the achievement of their students.

**STURGEON VALLEY TRACK MEET**

Namao School hosted the track meet on June 8 for students from Sturgeon Heights, Horse Hill and Namao in grades four to nine participating.

1978 group winners: A. Girls age 9 - Wendy Parowski, Sturgeon High; A. Boys age 9 - Ed Croft, Horse Hill; B. Girls age 10 - Kathy Tachynski, Namao; B. Boys age 10 - Neil Bokenfohr, Sturgeon Heights; C. Girls age 11 - Delores Victoor, Sturgeon Heights; C. Boys age 11 - David Zec, Sturgeon Heights; D. Girls age 12 - Celine Iseke, Sturgeon Heights; D. Boys age 12 - Mike Constantine, Sturgeon Heights; E. Girls age 13 - Juanita Cameron, Sturgeon Heights; E. Boys age 13 - Doug Brown, Namao; F. Girls age 14+ - Maurie Lynn Kozak, Horse Hill; F. Boys age 14+ - Joey Robinson, Horse Hill.

Final points standings: First - Sturgeon Heights - 441 points; second - Horse Hill - 386 points; third - Namao - 256 points.

Many new records were also set at the track meet.

David and Beverly McCracken and children Kevin and Karen are back home from a trip in their motor home to Toronto and London, Ontario, where they visited Beverly's brother Dr. Wayne Flintoff. They were accompanied by her parents, Mr. and Mrs. Frances Flintoff of Westlock, Alberta.

Clare and Marjorie Agar are home from holidaying at Brandon and Sandy Lake, Manitoba visiting family and friends.

A bridal shower will be held in the Namao Community Hall on Thursday, July 13 at 8 p.m. honoring Patricia Fleming. Patricia will be married to Kim Fay on August 26, 1978.

# Sunnyside News

By Lois Bowman

A very nice 25th anniversary open house was held at the Sunnyside Hall on Sunday, June 25. The happy couple celebrating this occasion were Doris and Ken Rye The couple's children were very busy getting ready for the party. Their oldest boy Cal along with his wife Laurie, daughter Deb and youngest son Barry welcomed the over 100 visitors during the afternoon. One of the original bridesmaids, Audrey Jeffery (sister of Doris) was there along with the best man Earl Storie. The young flower girl was also there. She was Helen Paul, now Mrs. Murray McMillan. The wedding pictures and write-ups were also there for everyone to see. Our congratulations, Doris and Ken - hope to see you on your 50th.

At a Hall Board meeting on Tuesday, June 27 it was decided that the big weekend will be July 8 and July 9. This is for all available and strong neighbours to help at the hall to work on the plumbing and digging. Please come out and help as it needs one and all to make this undertaking a success. If there are any questions concerning the work bee, please contact Archie Maxfield at 973-3706.

Awards day at Namao School saw some Sunnyside youngsters do very well. Terry Brown won the book award for Grade Six. Sunnyside really shone in the sports department. Terri Harper won the Most Valuable Player for the girls basketball "A" team. In flag football "B team," Ken Fewchuk was the M.V.P. Gordon Bokenfohr was the tops in volleyball "B team." Doug Brown was the Most Valuable Player in two areas - basketball and flag football "A team." Five boys were given medallions for their part in the basketball team. They were John Babichuk, Doug Brown, Gordon Bokenfohr, Ken Fewchuk and Geoff Hodgins.

Nice going young people! Keep up the great work.

**BLACK WIDOW SPIDERS**

For most Canadians the black widow spider exists only in books and movies. However if you live in the interior of British Columbia, southern Alberta, the Bruce Peninsula or the extreme southwest portion of Ontario, you run a small risk of encountering this venomous spider.

Agriculture Canada insect specialists say to watch out for coarse cobwebs in places like vacant rodent burrows, old buildings, around stones and logs and in long grass.

The black widow bite can be very painful and in some cases fatal. The best means of defence is to be able to recognize the black widow and keep away from it. Children especially should be warned to stay away from its usual habitats.

# Bon Accord News

By Sadie Allen

The annual baseball tournament is slated for this weekend, July 8 and 9 with eight teams involved. The Beer Garden will open in the Cave at 10 a.m. on Saturday. A dance will be held on Saturday evening. Tickets are available from any of the senior baseball team members.

Bon Accord Tigers chalked up four more points to add to their league total last week, scoring over Legal in a make-up game played on June 26 and handing out their first defeat to league leading Rochester Royals on June 28. A very good crowd was out to watch the first home game we have been privileged to see this season. On July 5, the Tigers will play the Red Lions at Westlock and on July 12, they will be at Waskatenau. Their next home game will be against Morinville on July 19.

Bon Accord Imperials chalked up two wins over the past week, winning over Horse Hill on June 27 and Graham Realty on June 29.

Summer playground opens this Thursday, July 6 and will run throughout the months of July and August from Monday through Friday from 10 - 12 a.m. and 2 - 4 p.m. The playground will be held at the Community Centre and will feature a variety of activities including crafts, games, puppetry, music, drama and special events.

Farmers' Markets will resume on a regular basis in the Bon Accord Arena on Wednesday, July 12 from 6 - 9 p.m. Anyone who is interested in renting a table for sale of home-grown home-made, home-baked products is cordially invited to participate. For further information, please contact Pat Reichle, 921-3535.

Parents, grandparents and friends were treated to a Commonwealth Fair on June 27, put on by pupils of grades 4, 5 and 6 of the Bon Accord school. Grade 4 were in charge of the games, very ably described and demonstrated by the pupils. Grades 4 - 5 were in charge of models of the different buildings which will house the Commonwealth Games in Edmonton. Two pupils described each facility. The Grade 5-6 class described the food and customs of all the countries, providing samples of foods native to some of the countries, e.g. fried bananas Welsh tea cakes, different cheeses and tropical fruits and drinks for sampling. The grade 6 class sang songs and showed various types of clothing worn by the people of the countries taking part in the games. Teachers and pupils are to be commended for the very interesting afternoon.

Congratulations to Emily and Ben Milkulski on the birth of a 1983 kindergarten pupil, a girl, 8 lbs. 15 ozs., born on June 29. Emily is our kindergarten teacher.

Best wishes and a happy retirement to Mr. Broemeling who retires this year as Bon Accord principal. We wish him the very best in his retired years which he plans to fill with his pet hobbies of golfing, gardening, skating and skiing. Junior high students presented him with a skill saw at their graduation exercises and his office chair was a gift from grades 1 to 6. Many more gifts including a camera, money tree, golf club were received from the staff and friends. He will be missed in all his roles as choir leader, carnival leader, sports programs' participant and just for his kind words of encouragement. Come visit us, Mr. Broemeling. Mr. Vern King will be our new principal.

Book Awards were held in the school gym on June 28. The following pupils received awards. Children of both kindergarten classes all received certificates. Grade 1A - Colby Cosh; Grade 1B - Joanne Wood; Grade 2 - Kristi Zelonka; Grade 2-3 - Patricia Wyness; Grade 3 - Shauna Lee Popjes; Grade 4 - Neale Hargreaves; Grade 4-5 - Tina Lewis; Grade 5-6 - Madlyn Golan; Grade 6 - Simone Rivet; Grade 7 - Danny McKay; Grade 8 - Don Strawson; Grade 8-9 - Veronica Marshall; Grade 9 - Marilyn Meijer. Marilyn also received the $25 scholarship and pin for the best academic record in Grade 9.

## FAREWELL TO KEN

*Sturgeon Foster Parents bid farewell to Ken Wright, Foster Care Worker and liaison officer. Ken has been with the Department of Social Services and Community Health for 3½ years. A farewell party followed an executive supper meeting on June 19. A plaque was presented to Ken in recognition of his donation to the Sturgeon Association for the last 1½ years.*

# Alcomdale News

By Beryl Bailey

New residents of the hamlet are Mr. and Mrs. G. Zwarich and children. They are living in the house of the Marcel Lalonde's who moved to Legal.

Mr. and Mrs. Paul Lalonde and daughter Debbie, moved to Morinville recently. Their property is up for sale.

Mrs. B. Kruse of Edmonton was a recent house guest of her cousin, Mr. Allan Campbell and Mrs. Campbell.

The 4H Alcomdale Beef Club held their Achievement Day on the sports grounds of the hamlet on Sunday, June 11th. The weather was fine and a large number turned out for the event. Following the judging and lunch at the booth of the Alcomdale Community League the members took their calves to Edmonton for the sale the next day. Members of the league and others in the community had a picnic. A ball game was played with players of several generations taking part. Adults and children of ages between seven years and up to teens. After supper races and other contests were held for the children who entered into them with much enthusiasm.

Mr. and Mrs. Dan Brenneis celebrated their 25th wedding anniversary Thursday, June 15, quietly with a family party at home. Father Barry Glendinning their parish priest of St. Charles Mearns, celebrated Mass at 8 o'clock. Following Mass lunch was served. Mr. and Mrs. Brenneis' five children were all present for this happy occasion. Mrs. R. (Dawne) Palmer and husband, Violet, of Edmonton. Alan, Albert and Pamela at home. Also present were Mr. Brenneis' parents, Mr. and Mrs. Ed. Brenneis of Alcomdale and Mrs. Brenneis' parents Mr. and Mrs. Cyril Borle of Villeneuve. Mr. and Mrs. Dan Brenneis were married June 15, 1953, in St. Peter's Roman Catholic Church, Villeneuve, Alberta.

Once again heavy showers and cooler weather are with us, some warm sunny days would be appreciated.

# Gibbons News

Albert Atkinson has undergone major surgery at the Royal Alexandra Hospital in Edmonton. His wife Margarette reports that he is rallying.

**THE LAST ROUND-UP**
**[Gibbons Senior Citizens]**

Instead of our regular June meeting, we were invited to Jim and Cathie Shaw's for a picnic on June 29.

We met at the Hut and went by private cars. Many thanks to those who supplied transportation. Jim and Cathie had everything assembled at the Juniper Hill picnic site. It was beautiful among the trees. Roll call was answered by 26 members. There was one visitor, Katie Brandle's sister Elizabeth. There was also a "thank you" card from Katie. Sheila gave a financial report on the "Tea Garden" and on the afghan. Something for the Dew Drop Inn. It will be purchased with the proceeds from the afghan raffle. Cathie was making a list of those wishing to take a day trip on July 5 to Elk Island Park and the Game Farm.

Cathie conducted several contests and the clothespin contest proved hilarious.

Lunch was provided and served by Cathie, Eula and Emily. It was delicious and everyone enjoyed it very much. June birthdays were observed for Clifton Davidson, Margaret Mabbutt, Myrtle McCrimmon and Lillian Potter and all sang Happy Birthday. A lovely birthday cake was supplied by Karen Hogg of the Sunday School Circle.

We all enjoyed the outing very much. Many thanks to Jim and Cathie for their hospitality and for making all the preparations.

Next meeting is July 13.

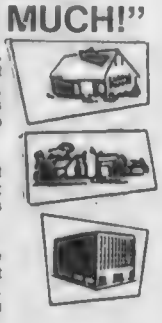
## "IT COSTS TOO MUCH!"



If you've never shopped the home market, surely the prices won't be a pleasant surprise. But while the costs of food, clothing, children's shoes, and new cars have been going up, houses have also increased in value.

Undoubtedly, a house is the best investment in today's economic picture; the equity you build is your family's financial security.

A home of your own is worth some sacrifice. Perhaps, handled correctly, it may be more affordable than you think. Come in and compare notes with us. You may end up a homeowner!
